TERMS & CONDITIONS

Rebate availability: Rebates are available first come, first served, according to date received, until funds run out. Please reference the program website at www.cashforapplianceswa.com or call 877-304-9225 to determine current status of fund availability. Rebate will not exceed purchase price. Applications must include all information requested. It is the responsibility of the applicant to submit a complete application. Incomplete applications will be returned to the applicant with a detailed explanation of why the application was returned and how to reapply. Additional terms and conditions may apply.

Eligibility: This is an appliance replacement program available to Washington residents for Washington residences. Limit one clothes washer and one refrigerator per household. Landlords and property managers are considered businesses under this program and therefore are not eligible to receive a rebate. Purchases made outside of Washington State or online require proof of paid Washington State sales tax. Purchases made on military bases are exempt from sales tax. The rebate is available for appliances purchased and installed on or after March 15, 2010. Rebates are not retroactive. On line transactions are allowed from companies with Washington retail outlets. In all cases Washington State sales tax must be paid. All equipment must be new and have been purchased and installed prior to submitting a rebate application. To receive a rebate for a refrigerator, documentation that the unit has been recycled or decommissioned in accordance with Washington State disposal laws is required. In cases where documentation is not available, a signature from a representative of the haul-away company or drop-off site is required.

Proof of Purchase: A dated invoice/sale receipt itemizing the purchased appliance must accompany each rebate application. The invoice/sale receipt copy must indicate the manufacturer, model numbers, purchase price, date of purchase and Washington sales tax amount paid. If Washington State sales tax is not paid on the purchase receipt, customers may submit sales tax payment to the Washington State Department of revenue, and submit receipt of payment with rebate application, or complete a Consumer Use Tax form.

Approval & verification: The Washington utilities, State of Washington and/or their respective agents reserve the right to verify sales transaction and to have reasonable access to your residence to inspect the system installed under this program, for up to six months after date of application.

Application and Rebate Payment: This application must be filled out completely, truthfully and accurately. The customer must sign and submit the completed application along with a copy of the dated invoice/sales receipt, refrigerator recycling or decommissioning documentation, and a copy of his/her State ID or utility bill dated 90 days or less from appliance purchase date. Rebates will be processed on a first come, first serve basis. On a daily basis, Monday through Friday (excluding holidays), applications received via mail will be processed first, followed by applications received via fax, lastly followed by applications received via email. Please allow 4-6 weeks from receipt of completed application to process and mail rebate check. Please contact Cash for Appliances – Washington at 877-304-9225 to inquire about the status of a rebate application.

Tax Liability: The Washington utilities, State of Washington and/or their respective agents will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of the rebate.

Endorsement: The Washington utilities, State of Washington and/or their respective agents do not endorse any particular manufacturer, vendor, and product or system design in promoting Cash for Appliances – Washington.

Limitation of Liability: The Washington utilities, State of Washington and/or their respective agent's liability is limited to paying the rebate specified. The Washington utilities, State of Washington and/or their respective agents are not liable for any consequential or incidental damages, or for any damages in tort connected with or resulting from participation in this Program. The Washington utilities, State of Washington and/or their respective agents do not warrant the performance of installed equipment expressly or implicitly. Rebate applications cannot be altered in any way.

Warranties: The Washington utilities, State of Washington and/or their respective agents DO NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. The Washington utilities, State of Washington and/or their respective agents make no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the appliance or services provided by a retailer, manufacturer, vendor or contractor. Contact your retailer, manufacturer, vendor or contractor for details regarding equipment performance and warranties.

Owner's Certification: By signing this rebate the owner certifies that he/she has purchased and installed the appliance(s) listed on this application at the defined location. Owner agrees that all information is true and that he/she has conformed to all program and equipment requirements listed. Owner understands that the rebate is through the American Recovery and Reinvestment Act of 2009 (ARRA) and is subject to special conditions governing ARRA funded projects.
