PARKS

ADA accessibility at Tacoma Power Parks

We want everyone to enjoy our parks, so we continue to improve access and services for mobility-impaired people and those with other disabilities.

You'll find ADA-accessible campsites, restrooms and other accessible features at all of our parks: Alder Lake, Mayfield Lake, Mossyrock and Taidnapam. Please see our park brochures or visit **MyTPU.org/Parks** for more specific information about each park.

If you have other special needs, please contact the park in advance of your arrival to find out if we can accommodate your request.

Stay and save

- ▶ We offer a \$5 per night discount for individual campsites to people who have a disability parking placard or license plate, or a Washington state disability or disabled veteran pass.
- ▶ The person with the disability must occupy the site the entire length of the reservation and show proof of eligibility to receive the discount.

Reserving ADA-accessible campsites

- ▶ Only people with disabilities may reserve ADA-accessible campsites.
- ▶ Reservations can be made online at **MyTPU.org/Parks** or over the phone by calling 833-290-8180. Hearing-impaired customers can use the Washington Relay Service at 711 or 800-833-6388.
- ▶ Use the "filters" button to find ADA-accessible campsites on our reservation website.
- ▶ Individual campsites may be reserved between May 15 and September 15. You may reserve sites up to nine months in advance.

Camping in ADA-accessible sites without reservations

- ▶ ADA-accessible campsites not reserved in advance are available to anyone on a first-come, first-served basis and may be occupied until the next ADA reservation or up to 10 days.
- ▶ In the non-reservation season (September 16 through May 14), only people with disabilities may occupy ADA-only campsites.
