

Mayfield Lake Park

Make your day...

Take a day to play at Mayfield Lake Park. Some of the park's features include a swimming beach, boat launch, playground, horseshoe pits and volleyball court. Pull out your picnic basket and enjoy lunch along the lakeshore, where you'll find plenty of picnic tables. Or seek shelter from the sun and reserve the day-use kitchen shelter.

... or stay and play

People seeking a relaxing camping experience will enjoy the quiet surroundings at Mayfield Lake Park. Whether you choose to kick back in a woody setting, enjoy a beautiful lake view or camp right next to the lake at a waterfront site, you'll fall in love with the peaceful park.

Bring some friends

Mayfield Lake Park's group camp has 12 sites, a kitchen shelter and its own bathroom – making it perfect for family reunions and other large get-togethers. Three of the sites have water and electric hookups. The group camp is separated from the other camping areas, which gives campers a sense of privacy.

Go jump in a lake

Love the water? Then you'll love Mayfield Lake. Spend your days swimming, boating, water skiing or fishing for trout, bass and coho salmon. The easy-to-use boat launch makes boating a breeze. Mayfield Lake is a popular destination for water sport enthusiasts, so we ask that you play it safe and learn the boating and watercraft rules before you dive into the fun. We recommend taking your boat out of the water each evening to prevent stranding.

Hatch a plan to discover the area

Looking for adventure? Visit the overlooks at Mayfield and Mossyrock dams, or explore the nearby Cowlitz Salmon Hatchery Visitor Center at 199 Salmon Lane in Salkum.

ADA accessibility

We want everyone to enjoy our parks, so we continue to improve access for mobility-impaired people and those with other disabilities. You'll find ADA-accessible campsites and a wheelchair-accessible restroom at Mayfield Lake Park. If you have other special needs, please contact the park in advance of your arrival to find out if we can accommodate your request.
