ELIGIBILITY: Property must be served by a Tacoma Power residential account. Energy-efficient products (Products) included in this offer must meet and be installed to Tacoma Power's Program Specifications and meet Program Requirements, found at MyTPU.org/Incentives.

REBATE AND LOAN INCENTIVES: Limits apply and are based on all specified Products installed and will not exceed total installed conservation improvement costs minus manufacturer/dealer rebates. This Program may be modified or canceled at any time and is subject to availability of funds.

STANDARD, FORGIVABLE or DEFERRED LOAN: Loan may be available to qualified customers to help pay for installation of Products. Before work begins, the loan must be pre-approved by Tacoma Power and a Notice to Proceed issued. Qualified knob and tube wiring inspection will be paid for by Tacoma Power.
