

Budget Billing

If you've been a customer for a year or more, you can sign up for Budget Billing. We average your last 12 months of bills so you can pay the same set amount each month to make it easier to budget and pay your utility bill. Learn more at **MyTPU.org/BudgetBilling**.

Conserve Power

Using less power can also help lower your utility bill. Here are some ways to save:

- Make energy-efficient upgrades to your home. We'll help you pay for a new heating and cooling system, windows, insulation, water heater, and more.
- Change or clean your heating system's filters regularly.
- Wash your clothes in cold water.
- Run your dishwasher only when it's full.
