Make your day...

Take a day to play at Mayfield Lake Park. Some of the park's features include a swimming beach, boat launch, playground, horseshoe pits, and volleyball court. Pull out your picnic basket and enjoy lunch along the lakeshore, where you'll find plenty of picnic tables. Or seek shelter from the sun and reserve the day-use kitchen shelter.

...or stay and play

People seeking a relaxing camping experience will enjoy the quiet surroundings at Mayfield Lake Park. Whether you kick back in a woodsy setting, enjoy a beautiful lake view, or camp right next to the lake at a waterfront site, you'll fall in love with the peaceful park.

Bring some friends

Mayfield Lake Park's group camp has 12 sites, a kitchen shelter, and a bathroom – making it perfect for family reunions and other large get-togethers. Three of the sites have water and electric hookups. The group camp is separated from the other camping areas, which gives campers a sense of privacy.

Jump in a lake

Love the water? Then you'll love Mayfield Lake. Spend your days swimming, boating, water skiing, or fishing for trout, bass, and coho salmon. The easy-to-use boat launch makes boating a breeze. Mayfield Lake is a popular destination for water sports enthusiasts, so we ask that you play it safe and learn the boating and watercraft rules before you dive into the fun. We recommend taking your boat out of the water each evening to prevent stranding.
