

Advanced meter upgrades are complete

These are a few benefits you are realizing now, with more planned for the future:

1. Easily track and manage your usage and costs.

2. Monthly billing means smaller bills.

3. Remote connection and disconnection make moving in/out easier.

4. Faster outage and leak detection at the meter help us restore your services sooner.

For a complete list of benefits, visit **MyTPU.org/AdvancedMeters**.
