

POWER MOVE #36

Helping your home chill without breaking a sweat

[A cooler home starts behind the walls.]

POWER MOVE #36

Helping your home chill without breaking a sweat

[A cooler home starts behind the walls.]

Insulation: The quiet hero behind lower bills.

Adding insulation keeps the cool air in during the summer and warm air during winter. Cutting down on energy use and saving you money year-round. Since cooling and heating make up nearly half of the home's energy use, better insulation is one upgrade that really pays off.

Stay comfortable. Save Energy.
Finance it with a 0% interest loan.

➤ OTHER POWER MOVES TO PULL OFF:

- **Rebates** heat pumps, water heaters, windows, and more.
- **Zero-Interest Loans** on heat pumps, insulation, windows, and water heaters.

See what you qualify for online at MyTPU.org/PowerMoves or call 253-502-8363.

SAVE ENERGY. SAVE MONEY. SIMPLE.
NOW THAT'S A POWER MOVE.
