

We're upgrading MyAccount with new and improved features

Enhancements coming to your online account make managing utility bills easier than ever.

- View your monthly, weekly, daily, hourly and 15-minute energy and water data from your new advanced meter.
- Customize your email and text alerts to stay informed about billing info and service updates.
- Pay your bill as securely as ever with easy access on your mobile or desktop devices, but with an improved look and feel and more features.

Visit MyTPU.org/MyAccount to learn when the new portal will be available.
