# Bringing energy efficiency to your kitchen is easy.

**WE HAVE EXPERTS TO HELP YOU.**

**We know energy-efficient kitchens.** We know what it takes to make your kitchen more energy-efficient, including the best products and equipment dealers to consider. And best of all, we offer rebates that help put everything within reach.

## Put us to work.

- 1** Call or email us to set up your FREE, no obligation Energy Use Assessment.
- 2** We'll work with you to determine which energy efficiency solutions will have the greatest impact.
- 3** We will help you with the rebate application.
- 4** Lastly, our team will close out project details and issue your rebate.

## Equipment upgrades can help your business reduce costs.

Upgrading to energy-efficient equipment is a great way to reduce operating and maintenance costs. We offer rebates to make upgrades more affordable.

### Rebates per unit

- Fryers (any size): \$500
- Griddles: \$200-\$600
- Hot food holding cabinets: \$150-\$750
- Ovens: \$300-\$1,000
- Steamers (3-10+ pan): \$250-\$950

\* Program requirements and rebate amounts are subject to change without notice. Tacoma Power does not endorse any particular contractor, manufacturer or product and makes no express or implied warranties of the same.

 <b>FREE</b> ENERGY USE ASSESSMENT	Rebates cover up to <b>40%</b> of equipment costs*
Save up to <b>20%</b>	Save every month when you take steps to reduce your energy use.
