An updated MyTPU.org launches this spring with new features that can make using our site easier than ever. The new website is mobile friendly, features improved organization and navigation, and highlights a modern design. The site remains secure and reliable and there are no changes to your online billing service. These improvements are intended to help make your experience more seamless.

# Resolve to **UPDATE** your account info

Make one of your 2019 resolutions to update your phone number, mailing and email addresses account info with us. Get faster payment and billing services, planned and unplanned outage info, refunds and deposits, and info about new products and services when you update your account info in one of three ways:

- Log into **MyTPU.org/MyAccount** and select “Profile.”
- Call Customer Services at:  
253-502-8600.
- Stop by our lobby at 3628 S. 35th St.  
Monday through Friday, 8 a.m. to 5:30 p.m.
