

Don't get left in the dark

Our new outage portal offers you more ways to report and track power outages. You can:

View our enhanced outage map online with more details like crew status and estimated time of restoration.

Report power outages online and enroll to notify us via text.

Create an account to sign up for email and text updates about outages that affect you.

**Head into storm season prepared.
Don't wait until your power goes out to create your account.**

Register today at MyTPU.org/Outage.
