

INTERNS 2022 COHORT

End of Summer Projects

the final assignment...

The instructions
were intentionally
vague.

The poster boards
were empty.

The opportunity
was open.

Overview of What they
Worked on This Summer

Highlight of Summer
Accomplishments

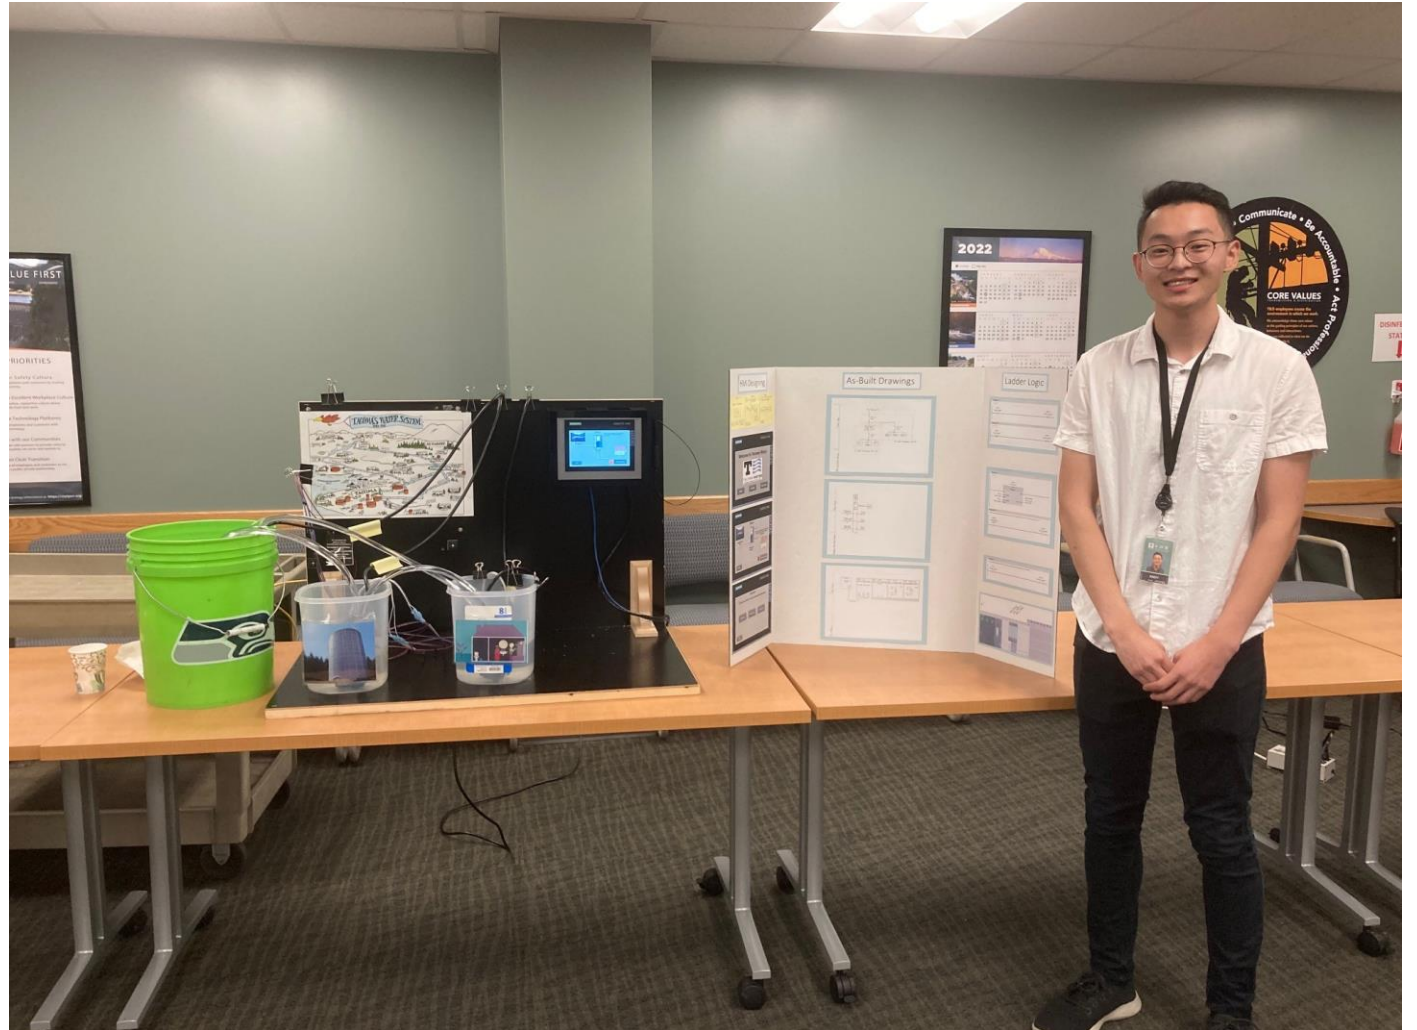

A Project they Were Most
Excited About

An Opportunity to Share
about Themselves

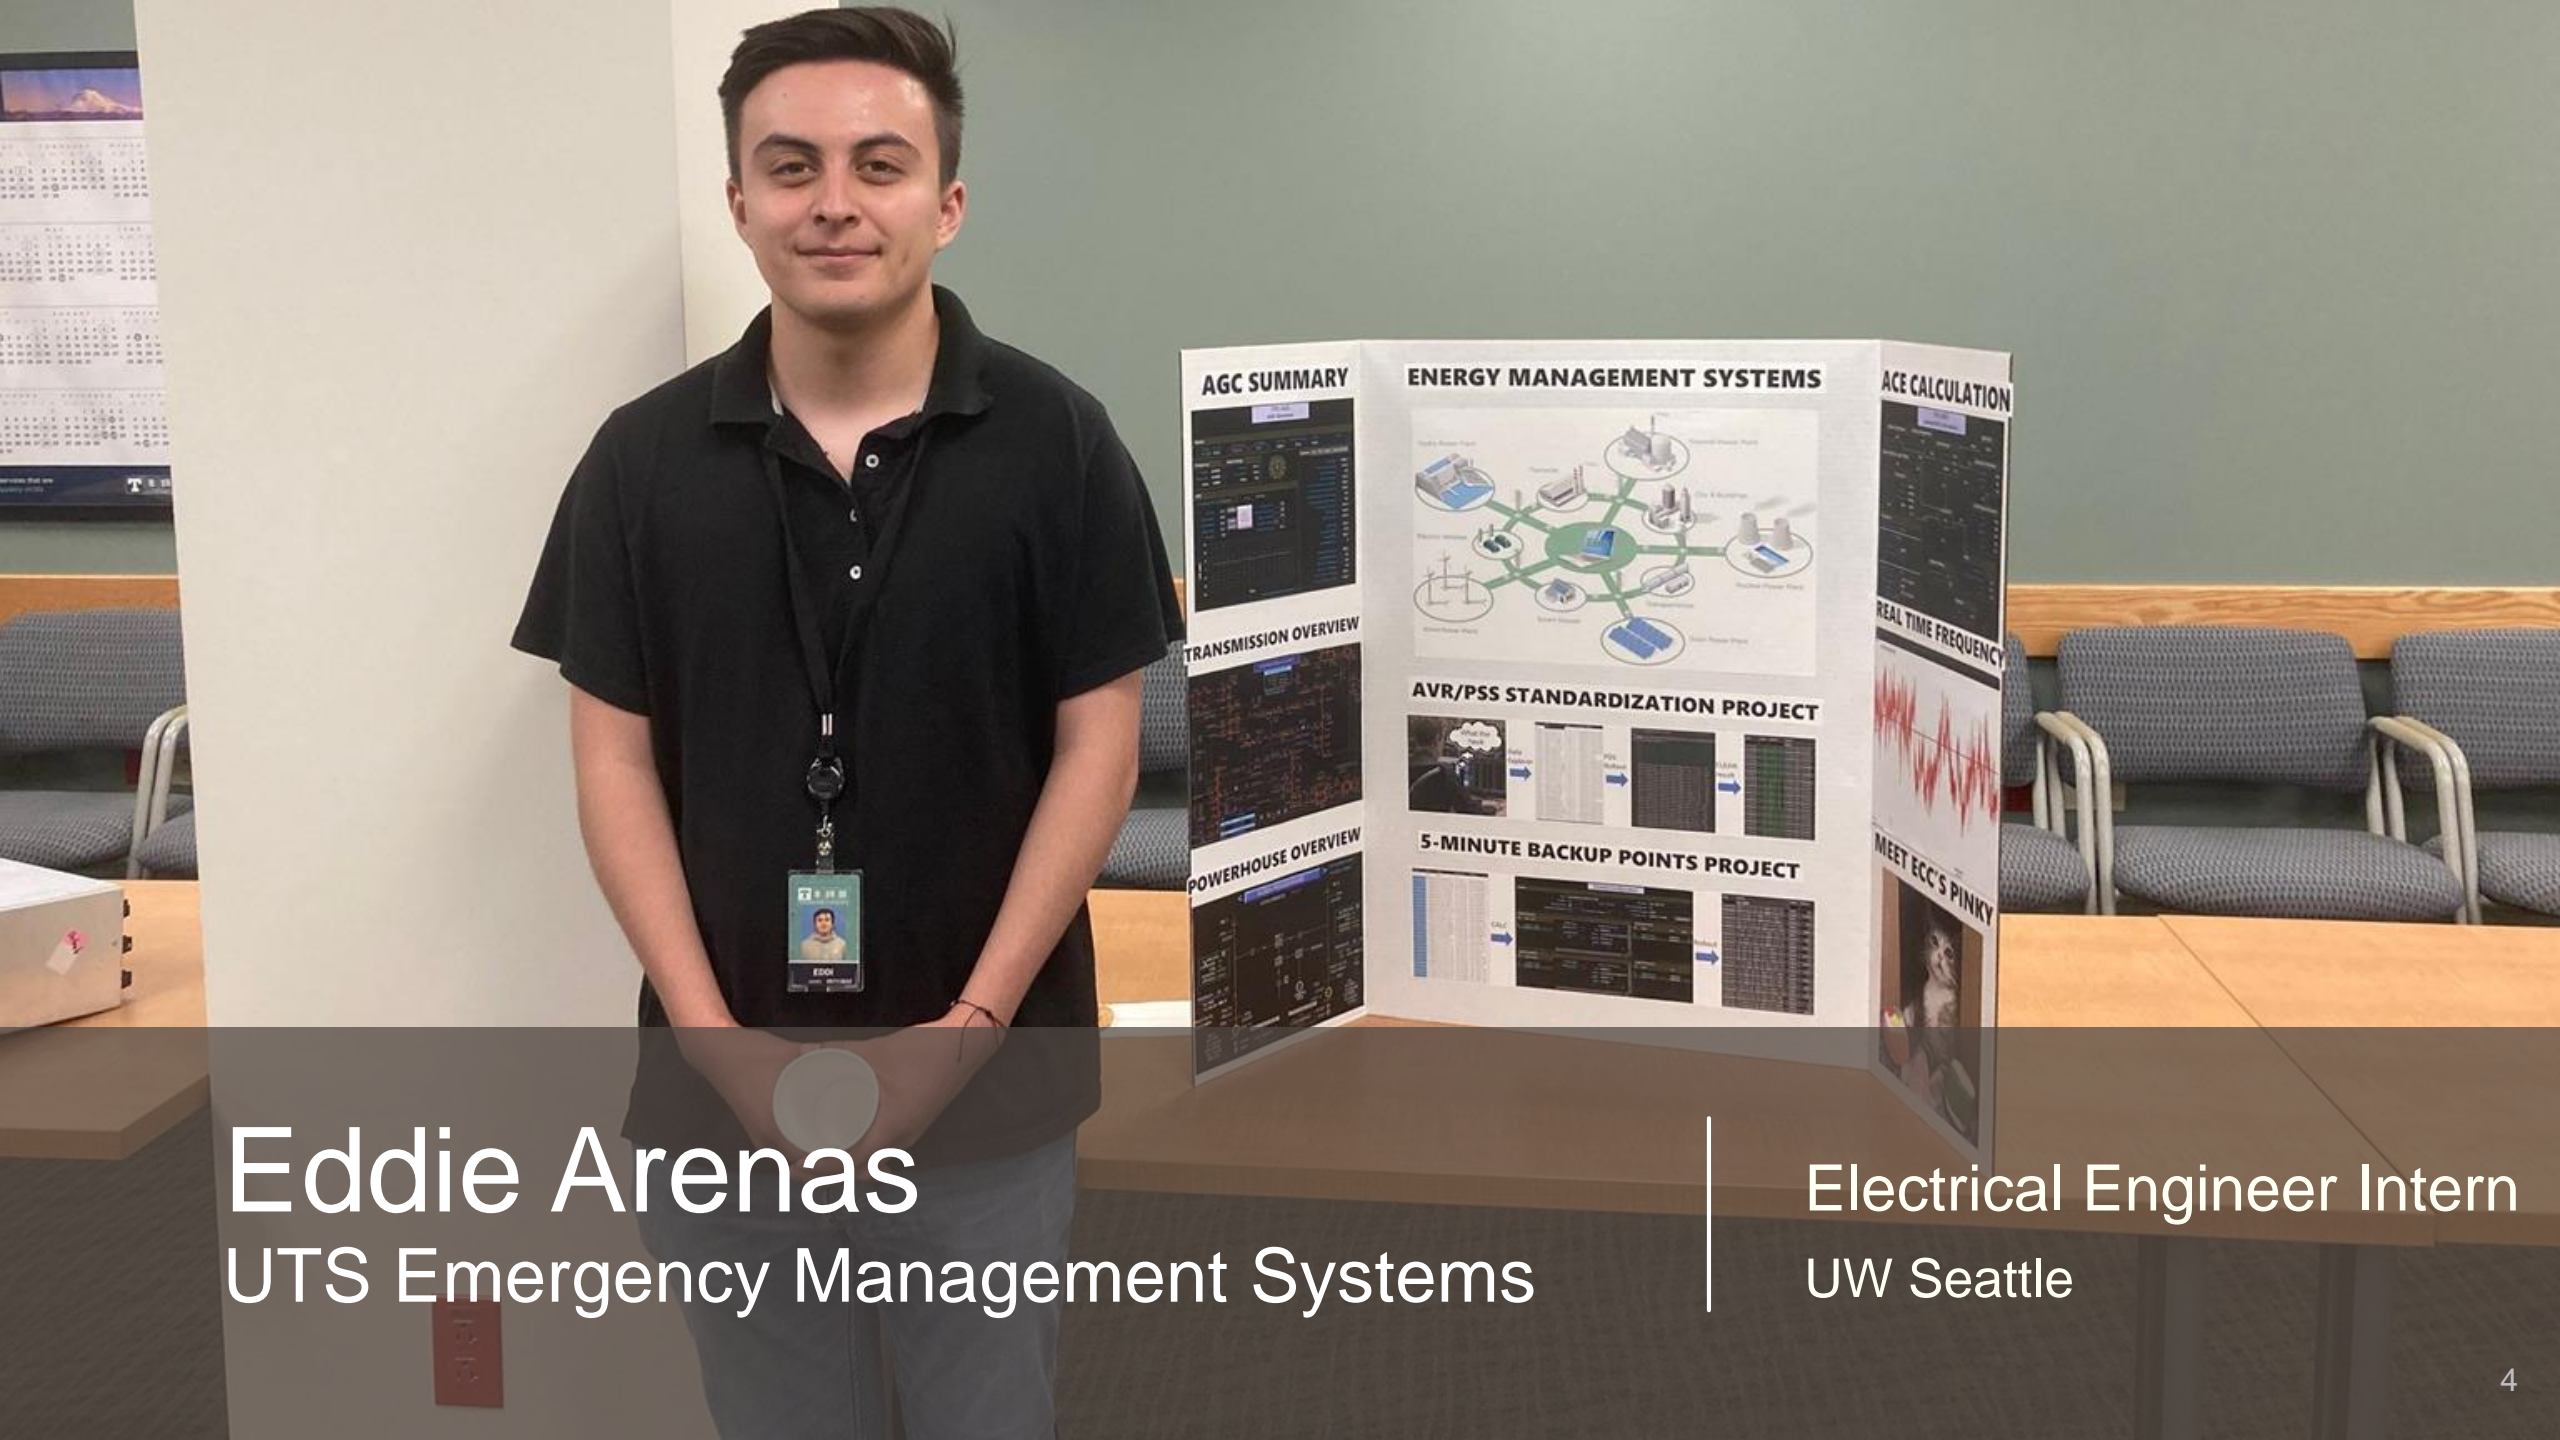

Andy Xiong

Water Electrical & Controls

Electrical Engineer Intern
UW Seattle

Andy is also a participant in the SEED Internship Program

Eddie Arenas
UTS Emergency Management Systems

Electrical Engineer Intern
UW Seattle

Ellie Elefson

Water Quality Planning

Environmental Engineer Intern
UW Seattle

Gabriel
Alves de Lima
..
Alex Geronimo

Power Internal
Communications Interns

Gabriel - UPS
Alex - UW Tacoma

Alex is in the SEED Internship Program

Jayce Booker

Power T&D Substations

Electrical Engineer Intern
UW Tacoma

Kyla Locke

Power
Energy Conservation
Programs (CEP)
Residential

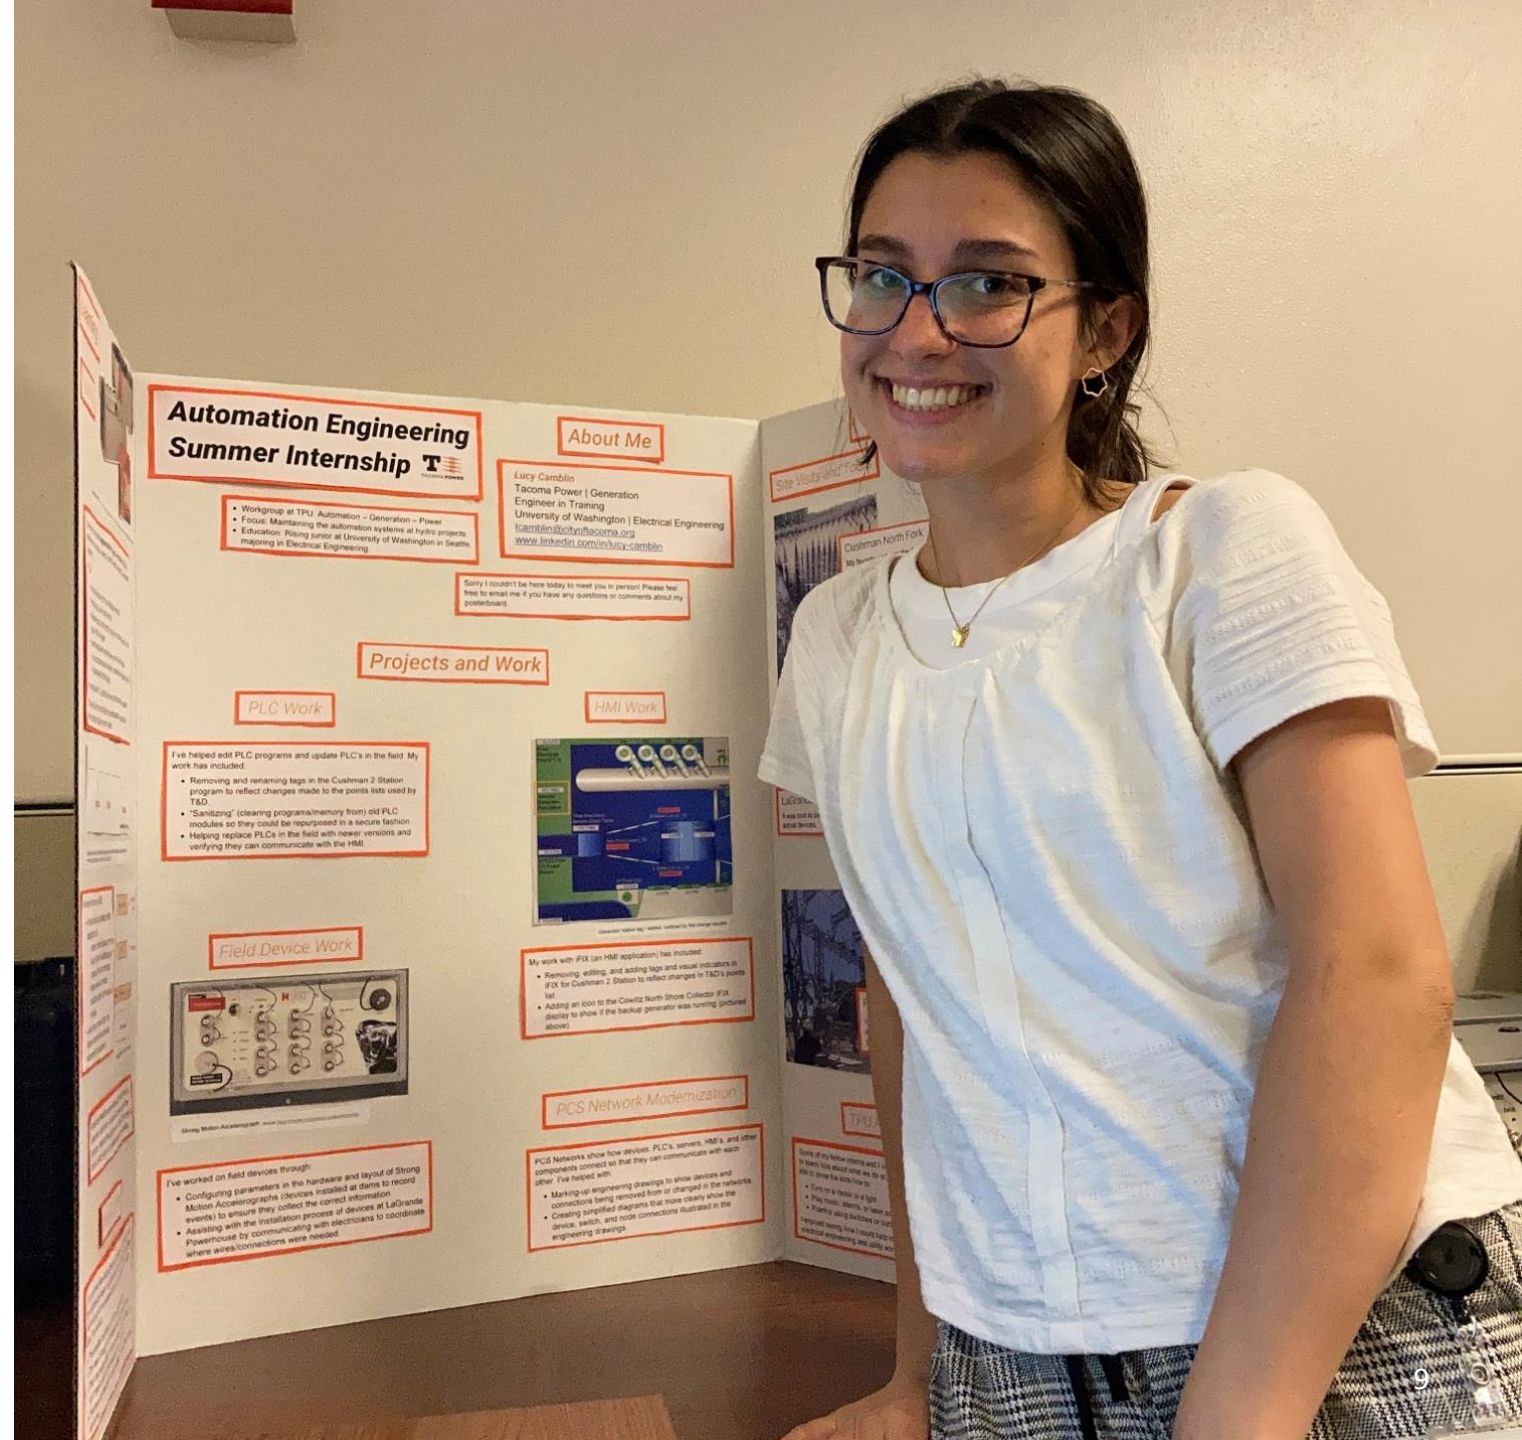

CEP Intern
Western Washington University

Lucy Camblin

Power Generation Production Engineering

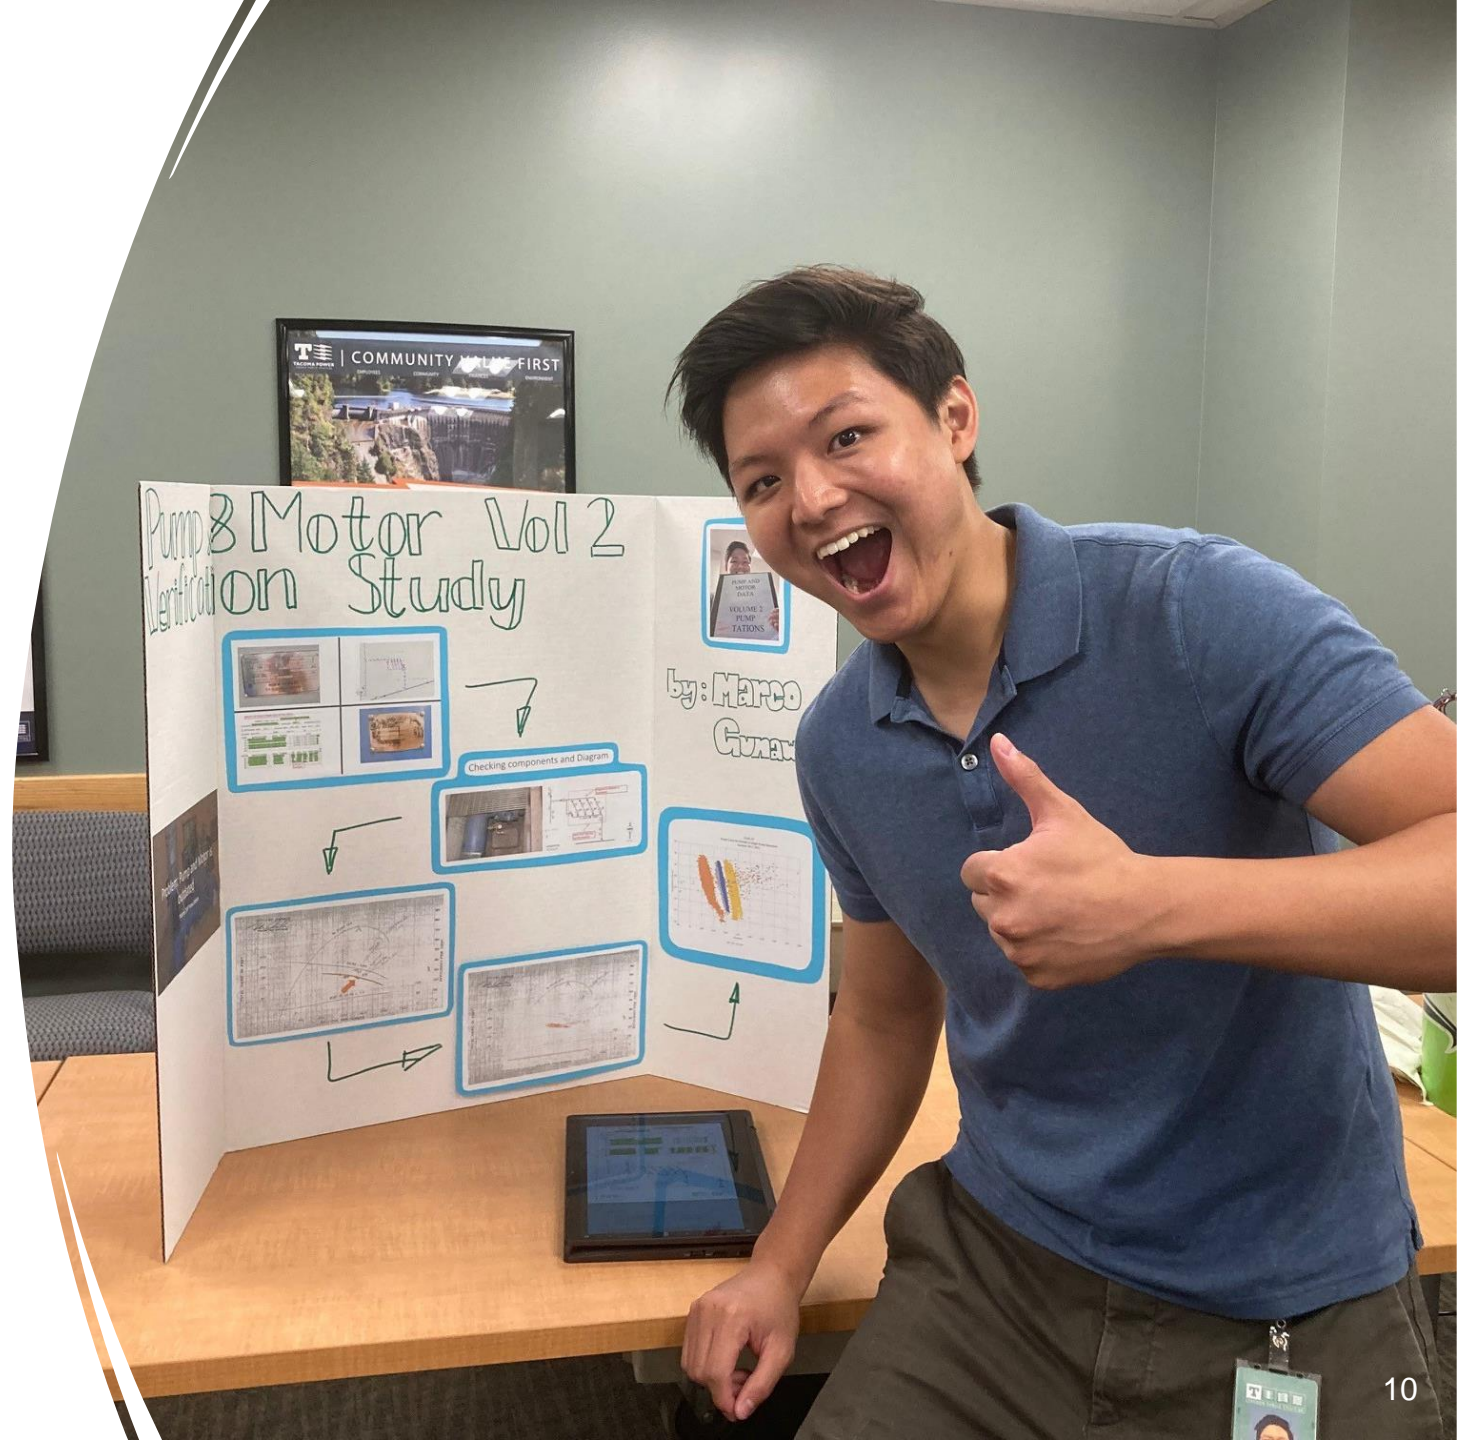

Electrical Engineer Intern
UW Seattle

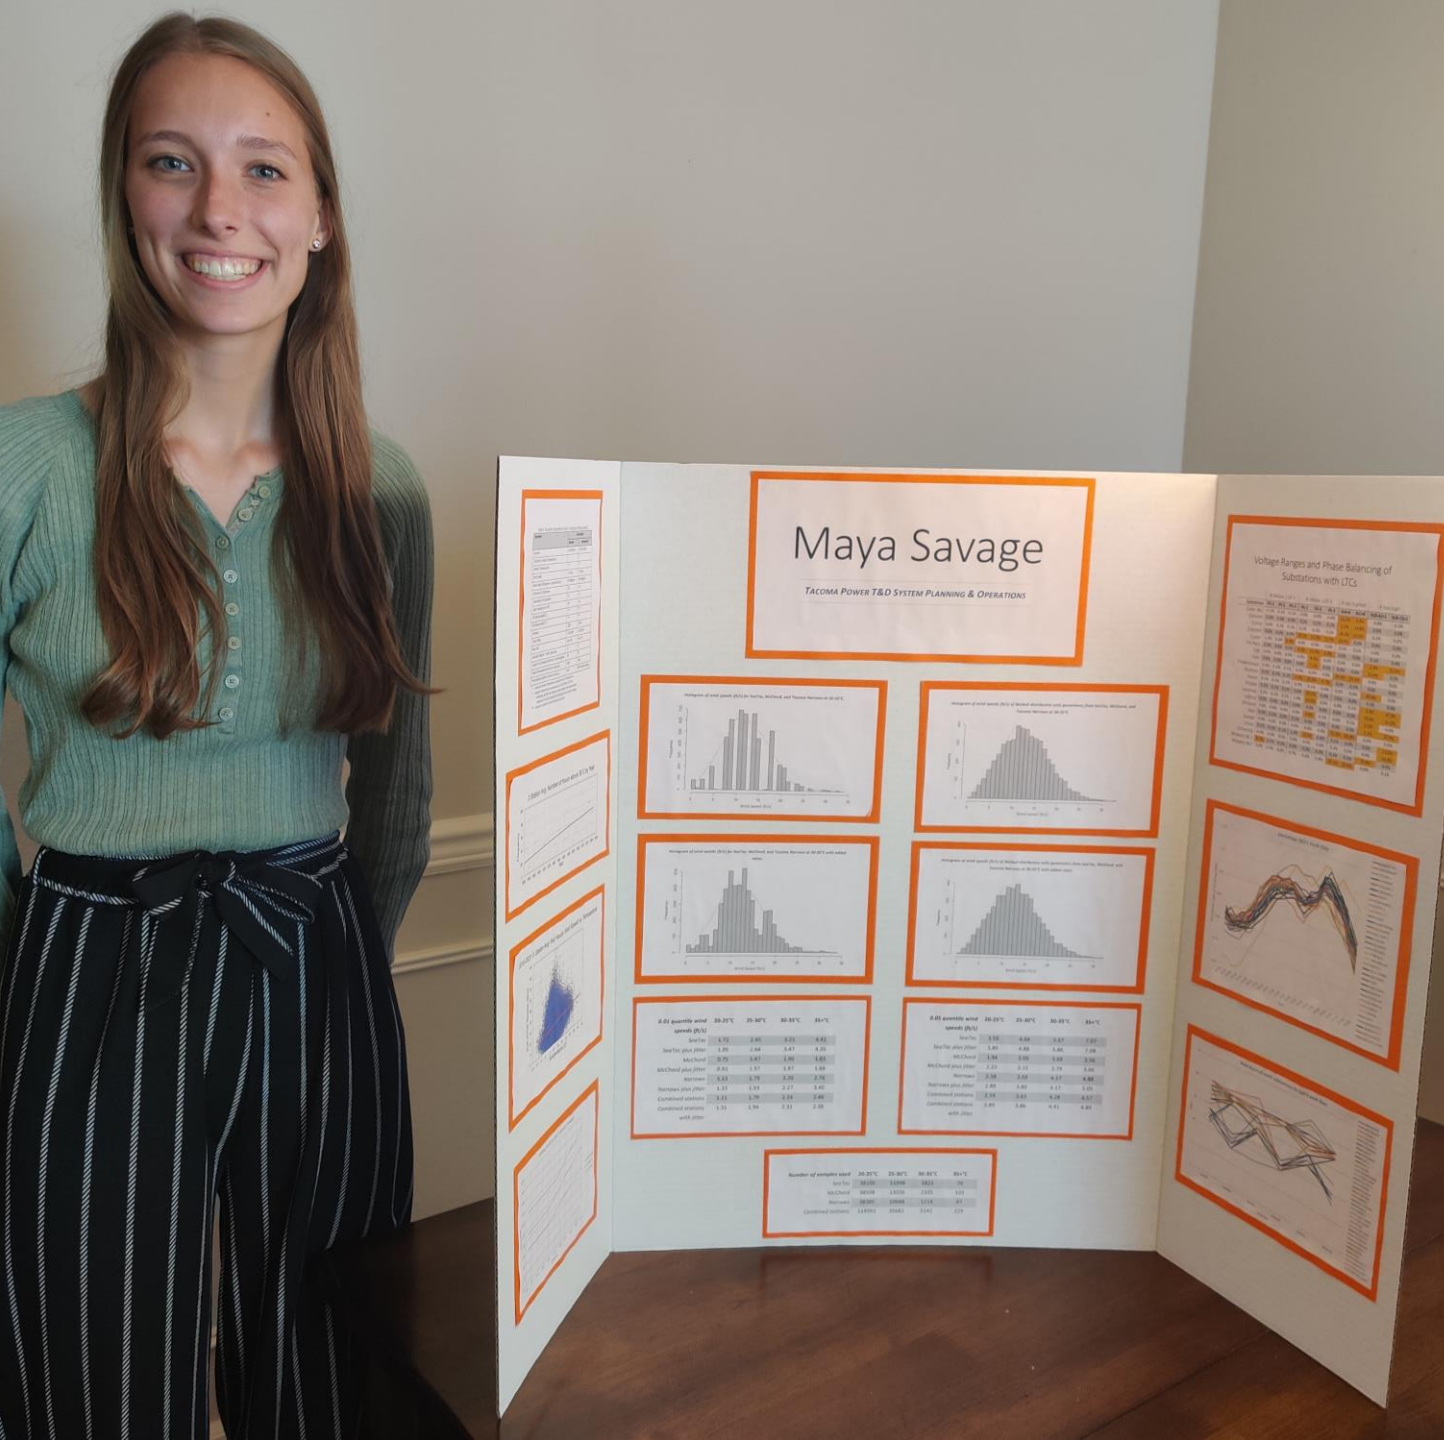

Marco Gunawan

Water Systems & Asset Planning

Mechanical Engineer Intern
UW Seattle

Maya Savage

Power T&D System Planning

Electrical Engineer Intern
Brigham Young University

Nathalie Belmore

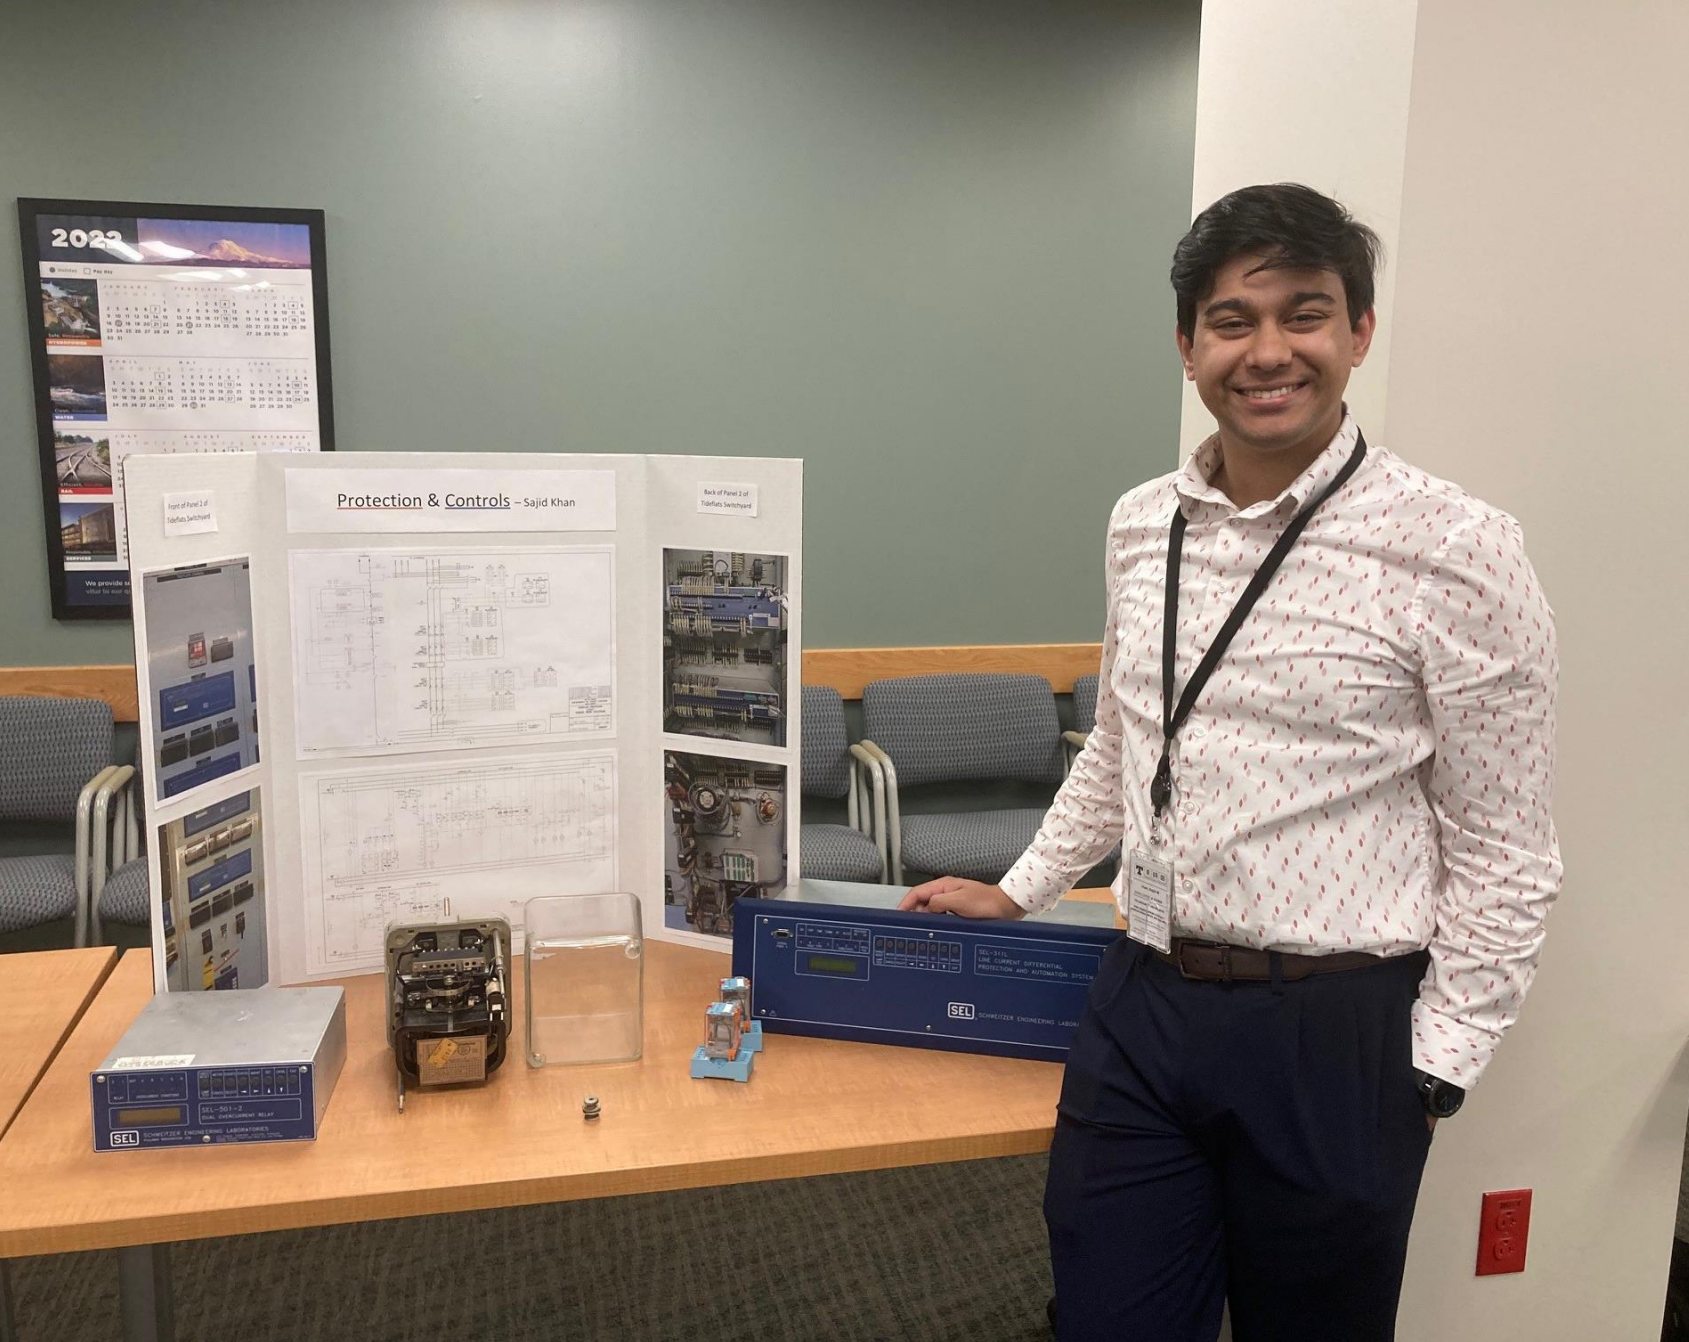

Power T&D Asset Management

Electrical Engineer Intern
Western Washington University

My Summer Projects

- ▶ Maintenance Plan Inventory
- ▶ Horizon Plan write-up
- ▶ Distribution Substation costs
- ▶ IJJA research & Charter write-ups

Sajid Khan

T&D Protection & Controls

Electrical Engineer Intern
UW Seattle

Zoe Durkin
Water Project Delivery

Environmental Engineer
Intern
Montana State University
