the
CITY OF TACOMA
and

TACOMA, WASHINGTON, CITY AND PIERCE COUNTY EMPLOYEES LOCAL NUMBER 120
OF THE WASHINGTON STATE COUNCIL OF COUNTY AND CITY EMPLOYEES, AFSCME,
AFL-CIO

THIS AGREEMENT is between the CITY OF TACOMA (hereinafter called the City) and the TACOMA, WASHINGTON, CITY AND PIERCE COUNTY EMPLOYEES LOCAL NUMBER 120 OF THE WASHINGTON STATE COUNCIL OF COUNTY AND CITY EMPLOYEES, AFSCME, AFL-CIO (hereinafter called the Union), for the purpose of setting forth mutual understanding of the parties as to wages, hours, working conditions, and other conditions of employment of those employees for whom the City has recognized the Union as the exclusive collective bargaining representative.

PREAMBLE

The City and the Union agree that the efficient uninterrupted performance of municipal functions is a primary purpose of this Agreement as well as the establishment of fair and reasonable compensation and working conditions for the employees of this City. This Agreement has been reached through the process of collective bargaining with the objective of serving the aforementioned purposes and with the further objective of fostering effective cooperation between the City and its employees. Therefore, this Agreement and procedures which it establishes for the resolution of differences are intended to contribute to the continuation of good employee relations and to be in all respects in the public interest.

ARTICLE 1 – SUBORDINATION OF AGREEMENT

It is understood that the parties hereto and the employees of the City are governed by the provisions of applicable federal and state laws, the city charter, and city ordinances. When any provisions thereof are in conflict with or different than the provisions of this Agreement, such provisions of federal or state laws and City Charter are paramount and shall prevail.

ARTICLE 2 – JOINT LABOR COMMITTEE

Section 2.1 It is the intent of the Union to carry out its collective bargaining responsibility as a member of the Joint Labor Committee, an organization consisting of various unions which have been recognized as collective bargaining representatives by the City. To this end, the City agrees to confer with officials of the Joint Labor Committee regarding fringe benefits only in the same manner as it would confer with officials of the Union on matters subject to collective bargaining.

The Union agrees that all representations made on its behalf by the Joint Labor Committee or its agents shall have the same force and effect as if made by the Union itself and that notices or other communications exchanged between the City and the Joint Labor Committee shall have the same effect as notices exchanged directly between the parties to this Agreement.

Section 2.2 The parties agree that for the sake of equity among employees, as well as administrative efficiency, it is desirable to standardize conditions of employment pertaining to employees represented by unions affiliated with the Joint Labor Committee. Therefore, the parties hereto agree to encourage standardization of benefits and other conditions of employment wherever appropriate and to utilize the good offices of the Joint Labor Committee to effect this end.

ARTICLE 3 – RECOGNITION AND BARGAINING UNIT

Section 3.1 The City hereby recognizes the Union as the exclusive collective bargaining representative for the purposes stated in Chapter 41.56 RCW as last amended for all employees employed in classifications listed in Appendix A to this Agreement.

Section 3.2 The bargaining unit may be amended during the term of this Agreement where the Union has established that it represents the majority of employees in a classification to be added to an existing bargaining unit.

The parties shall negotiate terms and conditions for accretion for classifications added to the existing bargaining unit. Majority status for representational purposes shall be determined through the procedures set forth in Chapter 41.56 RCW. The City agrees to notify the Union in advance when it proposes to establish a new classification, the duties of which are similar to those in the classifications covered by this Agreement.

Section 3.3 Except as provided by this Article or elsewhere in this Agreement, the Union retains the right to bargain a decision that is a mandatory subject of bargaining, or the impact of any decision that effects hours, wages and working conditions, in accordance with RCW 41.56. Further, the City will provide timely notice to the Union of any proposed reassignments of exclusive bargaining unit work to any other represented or non-represented classification in accordance with RCW 41.56. Such assignments may be discussed and coordinated in a Labor Management Committee meeting pursuant to Article 14.

ARTICLE 4 – UNION MEMBERSHIP AND DUES

Section 4.1 The City agrees to deduct from the pay of each employee, who has so authorized it, the initiation fees, monthly dues, and assessments as certified by the Secretary of the Union. The City will rely upon information provided by the Union regarding the authorization and revocation of deductions, and the Union will provide such information to an email address provided by the City. Upon receiving notice of the employees' authorization from the Union, the City will deduct from the employee's pay initiation fees, monthly dues, and assessments and remit the same to the Union no later than the second payroll cycle following receipt of the authorization. The amounts deducted shall be remitted monthly by the City to the Union on behalf of the employees identified by the Union as authorizing the deduction(s). The Union shall provide the City with at least one full pay period notice of any change in the amount of Union initiation

fees, monthly dues, and assessments. The Union agrees to refund to the City any amounts paid to the Union in error on account of the provisions of this Section upon presentation of proper evidence thereof. There shall be no retroactive deduction of union initiation fees, monthly dues, and assessments.

Upon receipt of a new, original payroll deduction authorization, the City will make a copy available to the Union electronically within two weeks. The City will take no action upon receiving an employee request until receiving confirmation from the Union to begin deductions

Section 4.2 The employee's authorization will remain in effect until expressly revoked by the employee by written notice to the Union in accordance with the terms and conditions of the authorization. The cancellation will become effective no later than the second payroll cycle after receipt of the confirmation from the Union that the employee has revoked authorization for deduction.

Section 4.3 The Union agrees to indemnify and save the City harmless from any and all claims, demands, suits or other forms of liability that arise against the City for or on account of compliance with this Article and any and all issues related to the deduction of dues and fees. In all such cases, the City's reasonable attorney's fees will be paid by the Union. If requested by the Union in writing, the City will surrender any such claim, demand or suit or other form of liability ("Claim") to the Union for defense and resolution. The Union shall not concede, settle, compromise, or resolve any Claim without the prior written approval of the City.

Section 4.4 Upon request, the City will furnish to the Union a roster and pay status of current bargaining unit employees. It is understood that this tabulation will be used by the Union for the sole purpose of compiling the Union dues formula and that the Union will not divulge any information from the subject tabulation to any other person or agency.

Section 4.5 The City will inform new bargaining unit employees of the Union's exclusive representation status. Consistent with R.C. W. 41.56.037, the City will provide union access to new employees entering the bargaining unit within ninety (90) days of hire. The City will allow the Union thirty (30) minutes to meet with such individuals during work hours and at their usual worksite or a mutually agreed upon location. During such meetings, a Union Officer, Shop Steward, or Union designee shall be permitted, for up to thirty (30) minutes and without loss of pay, to meet with new represented employee(s). The Employer shall incur no costs for travel time or mileage, nor shall the Union use City vehicles or resources in the conduct of this union business.

ARTICLE 5 – GRIEVANCE PROCEDURE

Section 5.1 A grievance under this Agreement is defined as an alleged violation, filed by an employee or the Union, of a specific item within an Article of this Agreement. Time limits set forth in the following steps will be stated in calendar days. If the deadline for any action under the grievance procedure falls on a weekend or holiday, the deadline will be extended to the next working day. By written mutual agreement of the parties, any and all timelines may be extended, and grievance steps may be waived, that are specified in Section 5.2 below. Failure of the Union to submit the grievance in accordance with these time limits without such waiver shall constitute abandonment of that specific grievance. Should the Employer fail to submit a reply within the specified time limits without such a waiver, the Union may automatically submit the grievance to the next step.

It is the goal of both the Union and the City to settle problems at the lowest possible level in a cooperative and objective manner. The parties agree that in many instances this goal may be met through meeting to discuss the issue that led to a grievance at the Steps outlined in Section 5.2 below.

Section 5.2 Grievances that cannot be resolved at Step 1 may be filed at Step 2 no later than twenty-one (21) calendar days after the employee could have reasonably known of the occurrence of the circumstances giving rise to the grievance.

Step 1 Any employee having a grievance shall first take up the matter with their immediate supervisor. If no satisfactory answer or disposition is received within seven (7) calendar days, the grievance shall be processed as follows:

Step 2 Failing to resolve the grievance in the first step, the employee and/or their Union representative may, as soon as possible but not later than fourteen (14) calendar days after the supervisor's answer in Step 1, reduce the matter to written form, stating all facts in detail, citing section or sections violated and a proposed remedy, and submit same to the Manager most immediately involved, with a copy to the City's Labor Relations Division. The Manager shall within fourteen (14) calendar days, record their disposition in written detail, returning same to the Union representative and the employee, with a copy to the City's Labor Relations Division.

Step 3 Failing to resolve the grievance in the second step, the Union representative may, within fourteen (14) calendar days of receipt of the Manager's disposition, submit the grievance in writing to the head of the employee's department (General Government) or Utilities division, or his/her designated representative, with a copy to the City's Labor Relations Division. Management shall, within fourteen (14) calendar days of receipt of the grievance respond in writing to the union representative and employee, with a copy to the City's Labor Relations Division.

Step 4 Failing to resolve the grievance in the third step, the Union representative, within fourteen (14) calendar days of receipt of the department/division head's disposition, may submit the grievance to the Director of Human Resources, with a copy to the head of the employee's department (General Government) or Utilities division, and the City's Labor Relations Division. The Director of Human Resources shall, within twenty-one (21) calendar days of receipt of the grievance, schedule a meeting with the grievant and the Union representative. The Director of Human Resources will issue a written decision to the Union representative and the grievant within fourteen (14) calendar days of the meeting, with a copy to the head of the employee's department (General Government) or Utilities division, and the City's Labor Relations Division. The decision of the Director of Human Resources will be final and binding only for suspensions without pay of three (3) days or less.

Optional Grievance Mediation If the parties are unable to resolve a grievance at the Step 4 level, upon mutual agreement of the City and the Union, the parties may request grievance mediation utilizing services provided by the Public Employment Relations Commission. If mediation is agreed to, the parties shall hold timelines of the grievance in abeyance until the conclusion of mediation.

Section 5.3 (Step 5) Grievances not resolved may be referred to arbitration by either party to this Agreement. Either party may give notice of its intention to arbitrate within twenty-one (21) calendar days following completion of the steps listed above. A list of seven (7) arbitrators shall be requested from the Public Employment Relations Commission or the Federal Mediation and Conciliation Service, both parties shall meet and each shall strike a name, with the Union striking first, until one (1) arbitrator is selected.

The arbitrator's decision shall be final and binding; however, the arbitrator shall have no power to render a decision that will add to, subtract from or alter, change or modify the terms of this Agreement, and their power shall be limited to the interpretation or application of this Agreement. The arbitrator shall issue a written decision within thirty (30) calendar days of the close of the hearing, or issue a bench decision if mutually agreed to and requested by both parties of this agreement.

Each party shall bear the expense of its own costs of preparing and presenting its own case, including compensating its own representatives, attorneys and witnesses. The Union and the Employer shall share equally in the cost of services from the neutral arbitrator.

Section 5.4 Any and all grievances resolved by agreement of all parties at any step of the grievance procedure as contained in this Agreement shall be final and binding on the City, the Union and employees represented by the Union and covered by this contract. At any step of the procedure time limits may be extended by mutual agreement of the City and the Union.

Section 5.5 It is understood that there shall be no suspension of work, slowdown, or curtailment of services while any difference is in process of adjustment or arbitration pursuant to the terms of this Agreement.

Section 5.6 It is understood that no disciplinary action by the City shall be considered cause for a grievance unless it is specifically alleged that such action represents an incorrect application of the terms of this Agreement. In no event shall this Agreement alter or interfere with disciplinary procedure heretofore followed by the City or provided for by city charter, ordinance, or law, including the procedure for appeals thereof. This clause shall not however, prevent the Union from affording to its members such representation in any other proceeding as it may see fit.

ARTICLE 6 – WORK STOPPAGES

The City and the Union agree that the public interest requires the efficient and uninterrupted performance of all City services, and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective: During the life of this Agreement, the Union shall not cause or condone any work stoppage, strike, slowdown, or other interference with City functions by employees under this Agreement and should same occur the Union agrees to take appropriate steps to end such interference. Employees covered by this Agreement who engage in any of the foregoing actions shall be subject to appropriate disciplinary action as may be determined by the City. There will be no lockout of employees in the Union by the City as a consequence of any dispute arising during the life and duration of this agreement.

ARTICLE 7 – MANAGEMENT RIGHTS

The Union recognizes the prerogative of the City to operate and manage its affairs in all respects in accordance with its lawful mandate, and the powers of authority which the City has not specifically abridged, delegated or modified by this Agreement are retained by the City, including but not limited to the right to contract for services of any and all types. The direction of its working force is vested exclusively in the City. This shall include, but not be limited to, the right to: (a) direct employees; (b) hire, promote, transfer, assign, and retain employees; (c) suspend, demote, discharge, or take other legitimate disciplinary action against employees for just cause; (d) relieve employees from duty because of lack of work, lack of funds, or other legitimate reasons; (e) maintain the efficiency of the operation entrusted to the City; (f) determine the methods, means, and personnel by which such operations are to be conducted; and (g) take any actions necessary in conditions of emergency, regardless of prior commitments, to carry out the mission of the agency; provided, however, that items (a) through (g) shall not be in conflict with City ordinances, personnel rules, and/or the existing collective bargaining agreement.

ARTICLE 8 – VISITATION BY UNION REPRESENTATIVES

Authorized representatives of the Union may, after notifying the City official in charge, visit the work location of employees covered by this Agreement at any reasonable time for the purpose of investigating conditions of the job. Such representatives shall confine their activities during such investigations to matters relating to this Agreement. City work hours shall not be used by employees or Union representatives for the conduct of Union business or the promotion of Union affairs.

ARTICLE 9 – SAFETY STANDARDS

All work shall be done in a competent and professional manner and in accordance with applicable federal, state, city, and department codes and regulations. Where higher standards are specified by the City than called for as a minimum by state codes, city standards shall prevail. WAC 296-360-150 entitled "Refusal to Work in an Unsafe Condition" and WAC 296-360-170, "Employee Refusal to Comply with Safety Rules" are incorporated herein. Grievances alleging violations of this section shall be directly submitted to the department/division head level of the grievance procedure and a grievance hearing shall be promptly scheduled.

ARTICLE 10 – COMPENSATION PLAN

The Compensation Plan contained in Chapter 1.12 of the Tacoma Municipal Code (TMC) as now enacted or hereafter amended is hereby incorporated as part of this agreement for the purpose of information for the members of the Union.

In the event an employee(s) requests a job audit by the Human Resources Department, they shall complete and submit the initiating form included in this collective bargaining agreement to begin the job audit. If the job audit results in reclassification due to changes in duties or original improper classification, the employee(s) shall receive the results of the job audit and reclassification and shall be placed in the appropriate classification within 120 calendar days from the date that an appropriate classification for that position is made. Any increase or decrease in salary and seniority in that classification shall be retroactive to the day of submission of the initiating job audit form. Alternatively, the employer may adjust duties to align the employee(s) position with the original classification. Upon a determination by the Human Resources Department to implement forthcoming changes to the job audit process, the parties shall meet to negotiate any impacts on this Article.

ARTICLE 11 – BENEFITS

The parties are participants in a Joint Labor Agreement, through which they have determined the amount of and basic rules regarding vacation leave, holidays, sick leave, personal time off and other benefits. Provisions of the Joint Labor Agreement governing these benefits are attached in Appendix B which shall independently expire with the expiration of the Joint Labor Agreement. Appendix B shall be automatically updated and replaced in its entirety with any changes to the provisions of the Joint Labor Agreement during the term of this Agreement as long as both parties remain signatories to the Joint Labor Agreement. Should a party choose not to sign on to a future Joint Labor Agreement the provisions in Appendix B shall be "status quo" until expiration of this Agreement.

Items covered by Appendix B may be grieved through this Collective Bargaining Agreement, except those items challenging the interpretation or application of the Joint Labor Agreement provisions which may be grieved only through the grievance procedure included in the Joint Labor Agreement.

Such election shall be made no later than upon the employee's successful completion of the probationary period.

Section 11.3 Sick allowance with pay shall be as provided in Section 1.12.230 of the Tacoma Municipal Code and the Joint Labor Agreement.

Section 11.4 On-the-job injury shall be as provided in Section 1.12.090 of the Tacoma Municipal Code and the Joint Labor Agreement.

Such periods of time shall be devoted only with the approval of the steward's immediate supervisor and further provided that such approval shall be not unreasonably withheld. Shop Stewards shall report back to their supervisors upon return to work. Shop Stewards will not use work time for preparation for contract negotiations. The Union agrees to provide a current list of Shop Stewards to each division or department head in those divisions or departments employing classifications represented by the Union.

A minimum of two (2) hours' compensation at the overtime rate shall be allowed for work performed outside the employee's assigned shift unless the employee commences this work less than two (2) hours before the beginning of his/her regular shift, or continues after his/her regular shift. When management requires the employee to travel to City premises or property, provided the employee is immediately available to work, the minimum of two (2) hours' compensated time shall begin when an employee responds affirmatively to the call.

In order to be compensated at the rate of the higher classification, an employee temporarily reassigned to the higher classification shall meet the minimum qualifications of such classification and substantially assume the duties of such classification for one (1) or more hours. The temporary assignment shall result in the relinquishing of the employee's regular duties to a substantial degree. An employee in a setup status will be placed at a pay step in the higher classification that is at least 5% above the employee's permanent classification, if such a pay step exists. Employees temporarily setup to a higher classification will be paid in accordance with Section 1.12.050 B of the Compensation Plan, for actual hours worked.
- B. An employee temporarily assigned to a higher position for four (4) or more hours per day shall be given a temporary appointment to the higher class when he/she is assigned the duties of such position. Employees serving on standby must be in telecommunications, beeper, radio or phone range to ensure their availability to return to duty if necessary. All employees on standby assignment must remain fit for duty and must respond/call back to the call or page within 15 minutes.

Should any other Joint Labor bargaining unit at the City of Tacoma receive a higher hourly standby rate of pay, the parties agree to re-open the Agreement to discuss the hourly standby rate paid to bargaining unit employees. 3. If none of the above options exist for Business Analysts hired prior to January 1, 2011, the employee may then bump the least senior employee in the next lower Business Analyst classification in another department within the City. For Business Analysts hired on or after January 1, 2011, the employee may only bump a less senior employee in the next lower Business Analyst classification in which they held status in another department within the City.
4. Finally, if there exists no bumping option at the next lower Business Analyst classification, the employee may repeat the above steps 2 and 3 at the lowest classification, until all potential bumping options have been eliminated.

In all cases, the bumping employee must have more Business Analyst seniority than the employee bumped.

are eligible for coverage beginning on the first day of the calendar month following 60 days of continuous employment from the date of hire.

6.2.2 Default Options. If permanent, project, appointive and temporary pending exam employees fail to enroll or waive medical coverage within the required enrollment period, the employee will be enrolled automatically in the City's default medical plan. The default plan shall be the Regence BlueShield PPO Plan. If a temporary employee fails to timely enroll or waive coverage, the employee will be determined to have waived coverage, until such time as they enroll pursuant to a qualifying life event or an open enrollment period.

6.2.3 City Payment of Claims/Premiums. Except as provided below, the City will pay the claims or premiums (according to the plan selected by the employee) associated with the medical insurance selected by the employee and eligible dependents from the City's Health Care Trust. The City will not use reserve funds for purposes other than paying costs associated with the maintenance and administration of its health insurance plans without the express negotiation and consent of the Joint Labor Committee.

6.2.4 Employee Contributions to Premiums.

Effective January 1, 2020 through December 31, 2020, Employees selecting employee-only coverage will contribute \$40 per month towards the premium costs of medical insurance. Employees insuring dependents will contribute \$80 per month towards the premium costs of medical insurance.

Effective January 1, 2021, Employees selecting employee-only coverage will contribute \$50 per month towards the premium costs of medical insurance. Employees insuring dependents will contribute \$100 per month towards the premium costs of medical insurance.

Effective January 1, 2020, in addition to these amounts, part-time employees working at least twenty (20), but less than thirty (30) hours per week will be responsible for the remainder of the premium cost of the plan they have selected after the City has made a prorated contribution toward the cost of the plan based on the percentage that the part-time employee's FTE actual hours compensated in the previous month bears to full-time (40 hours per week). Employees will be eligible for benefits based on assigned work schedule. The work schedule shall be determined monthly, for pay periods in the upcoming month. Such schedules will be rounded up to the nearest four (4) hour increment. Part-time employees working thirty (30) or more hours per week will make contributions equal to those of full time employees. For all other purposes or benefit calculations, the City's definitions and policies regarding part-time employment will govern.

6.2.5 Wellness Credit. Employees participating in wellness will receive a \$20 per month credit toward their premium contribution for medical insurance coverage under the Regence PPO Plan or Kaiser Permanente HMO Plan, or a \$40 per month credit toward their premium contribution for coverage under the Regence HDHP/HSA Plan. Employees in a temporary status are not eligible to receive the credit.

6.2.6 Contributions to HSA Accounts. Employees who select the Regence HDHP/HSA Plan will receive the following annual contributions to a health savings account. Contributions will be deposited on a monthly basis. Employees may contribute to their own accounts up to the maximum dollar value permitted by applicable law.

- a. Employees Who Participate in Wellness – \$1250 per year for employees selecting employee-only coverage; \$2500 per year for employees insuring one or more dependents.
- b. Employees Who Do Not Participate in Wellness – \$500 per year for employees selecting employee-only coverage; \$1000 per year for employees insuring one or more dependents.

6.3 Dental and Vision Insurance. The City will provide dental and vision insurance to employees and eligible dependents according to the terms of its insurance plans. The City will not make changes to its dental or vision insurance plans during the term of this Agreement without first bargaining with the Joint Labor Committee. The City will pay the full premium cost for dental and vision insurance for employees and eligible dependents. Part-time employees working at least twenty (20), but less than thirty (30) hours per week will be responsible for a prorated contribution toward the cost of the plan based on the percentage that the part-time employee's FTE actual hours compensated in the previous month bears to full-time (40 hours per week). Part-time employees working thirty (30) or more hours per week will make contributions equal to those of full-time employees. For all other purposes or benefit calculations, the City's definitions and policies regarding part-time employment will govern.

6.4 Dual Coverage. No City employee or eligible dependent may be insured under more than one City medical, dental, or vision insurance plan. Employees whose spouses/domestic partners/children up to age 26 are eligible for medical insurance benefits through the City will share the costs of insurance as follows:

6.4.1 Employees Choosing the Same Plan – One spouse/domestic partner will be placed on the other's medical, dental, or vision insurance, and the primary spouse/domestic partner will pay the appropriate premium cost for family coverage.

6.4.2 Employees Choosing Different Plans – If spouses/domestic partners elect coverage under different plans, they may not provide coverage to their spouse/domestic partner on their medical, dental, or vision insurance plan. Each employee will pay the appropriate cost share (individual or family) depending on whether they include children on their plan.

6.4.3 Children up to Age 26 – Benefit-eligible employees whose parents are City employees must elect coverage in their name (paying the applicable premium contribution) or coverage as a dependent on their parent's plan (with no premium contribution), but may not receive coverage under two medical, dental or vision insurance plans.

6.5 Opt Out With Proof of Insurance. Subject to any applicable legal restrictions imposed by the Employer's medical, dental and vision insurance providers, full-time and part-time employees may choose to opt out of the Employer provided medical, dental and/or vision insurance. To be eligible to opt out of the medical, dental and/or vision insurance, full-time permanent, project, appointive, and temporary pending exam employees shall be required to: (i) provide the Employer with written proof of alternative medical, dental and vision insurance coverage; and (ii) notify the Employer in writing within thirty (30) calendar days if he/she should lose their alternative medical, dental and vision coverage.

6.6 Vacations shall be as provided in Section 1.12.220 of the Tacoma Municipal Code. This section provides in part for the following:

6.6.5 Vacation leave may not be taken without the prior approval of the appointing authority and may not be taken in the pay period in which it was earned. Vacation leave shall be scheduled so as to meet the operating requirements of the City

There is no limit to the number of sick leave days an employee may accrue. Part-time employees shall accrue sick leave on a prorated basis according to the percentage their FTE bears to full-time.

6.7.2 An employee separated from service due to death or retirement for disability or length of service is compensated to the extent of twenty five percent (25%) of his/her sick leave accruals. An employee separated in good standing from service for any other reason who has a minimum of ten (10) days accrual, is compensated to the extent of ten percent (10%) of his/her sick leave accruals, up to a maximum accrual of one hundred twenty (120) days.

6.7.3 Permissible uses of sick leave are described in Tacoma Municipal Code Sections 1.12.230 – 1.12.232.

6.8 Personal Time Off shall be as provided in Section 1.12.248 of the Tacoma Municipal Code. This section provides in part for the following:

6.8.1 Employees enrolled in the Personal Time Off (PTO) Plan shall accrue PTO hours for each bi-weekly pay period pursuant to the following schedule. Employees receive PTO in lieu of vacation and sick leave.

Completed Years of Aggregate Service	Hours per Year	Hours per Pay Period
Completion of years 0, 1, 2, 3	144	5.54
Completion of years 4, 5, 6, 7	168	6.46
Completion of years 8, 9, 10, 11, 12, 13	184	7.08
Completion of years 14, 15, 16, 17, 18	208	8.00
Completion 19 years	216	8.31
Completion of 20 years	224	8.62
Completion of 21 years	232	8.92

Completion of 26 years	272	10.46
Completion of 27 years	280	10.77
Completion of 28 years or more	288	11.08

- 6.8.2** Employees shall accrue PTO on a prorated basis according to the percentage their FTE bears to full-time. Employees' PTO accrual rates shall be established as of January 1 of each calendar year and shall be based on the rate applicable to the number of years of aggregate service the employee will complete within that calendar year. An employee may accrue a maximum of 960 hours of PTO.
- 6.9** On-the-job injury shall be as provided in Section 1.12.090 of the Tacoma Municipal Code. That section provides in part:
- 6.9.1** In the case of a disability covered by State Industrial Insurance or Worker Compensation, the first three (3) calendar days shall be paid at the regular normal pay and charged to earned leave, in the event the time loss is less than fifteen (15) calendar days.
- 6.9.2** For one-hundred-twenty (120) working days, the City will pay a supplement payment such that State payment plus City supplement equals eighty-five percent (85%) of regular normal pay.
- 6.9.3** Pursuant to Ordinance 27753, adopted November 18, 2008, after the payment and use of the one hundred twenty (120) working days, the employee may request to use accumulated sick leave and/or planned time off (PTO) balances to supplement the time loss pay such that the combination of the supplement and the time loss pay equals eighty-five percent (85%) of the employee's normal wage (the employee's rate at the time of injury plus any longevity pay to which the employee is eligible). If the employee elects to use paid sick leave and/or PTO the election will continue until such balances are exhausted or until the employee returns to work. Hours deductions from the employee's PTO or sick leave balances shall be determined by dividing the supplement by the employee's regular hourly wage. Example: Assume a supplement amount of \$596 dollars is necessary to bring the total to 85%. If the employee's regular wage is assumed to be \$23.84, the deduction from sick leave and/or PTO would be $\$596/\$23.84=25$ hours.
- 6.9.4** Any employee who becomes disabled prior to completing thirty (30) working days' employment with the City, shall receive the compensation disability allowance for a maximum of thirty (30) working days.
- 6.9.5** The above does not apply to Police and Fire commissioned hired prior to October 1, 1977, however, such employees shall have on-the-job injury claims charged against their sick leave accruals in the same manner as other employees of the City.
- 6.9.6** For the purposes of this Section, regular normal pay shall be that rate of the classification in which he/she was working in on the date of injury.
- 6.10** Group Life Insurance shall be as provided in Section 1.12.096 of the Tacoma Municipal Code. The City will pay one hundred percent (100%) of the cost of premiums for those employees electing to participate. The amount of insurance an employee may purchase is based on his/her annual salary rounded to the next highest \$1,000 of coverage.

6.11 Longevity pay may be provided to employees of member unions pursuant to the terms of Ordinance 20938, which reads in part as follows:

6.11.1 Regular, probationary, and appointive employees who through union agreement have elected the option of longevity pay shall receive additional compensation based on a percentage of their base rate of pay received for the class in which they are currently being paid. No application of rate may be used in computing longevity pay.

6.11.2 Eligible employees shall receive longevity pay in accordance with the following schedule:

From 5 through 9 years aggregate service	1% per month
From 10 through 14 years aggregate service	2% per month
From 15 through 19 years aggregate service	3% per month
20 years or more aggregate service	4% per month

6.11.3 Eligibility for longevity pay shall be determined by the length of aggregate City service and will be paid to an employee at the first of the calendar year in which any of the above stipulated periods of aggregate service will be completed.

6.12 Holidays shall be as provided in Section 1.12.200 of the Tacoma Municipal Code. This section provides in part that the following and such other days as the City Council, by resolution, may fix, are holidays for all regularly employed full-time employees of the City and shall be granted to employees or days off in lieu thereof.

New Year's Day (January 1)
Martin Luther King Day (third Monday in January)
Presidents' Day (third Monday in February)
Memorial Day (last Monday in May)
Fourth of July
Labor Day (first Monday in September)
Veterans' Day (November 11)
Thanksgiving Day (fourth Thursday in November)
The day immediately following Thanksgiving Day
Christmas Day (December 25)

6.12.1 A full-time employee shall receive eight (8) hours of holiday pay for each holiday listed above, provided he/she is in a paid status on both the entire regularly scheduled workday immediately preceding the holiday and the entire regularly scheduled workday following the holiday.

6.12.2 In addition to the days listed above, eligible employees shall receive two (2) additional eight (8) hour paid floating holidays per calendar year for which time off shall be mandatory. Floating holidays may not be carried over from one calendar year to the next, and may not be converted to cash in any circumstances. To be eligible for these floating holidays, employees must have been or scheduled to be continuously employed by the City for four (4) months as a full-time or part-time regular, probationary, or appointive employee during the calendar year of entitlement. An employee hired into a part time status shall receive holiday pay on a prorated basis on the hours that he/she is hired to work.

6.12.3 Full time employees working alternate schedules who are normally scheduled to work more than eight (8) hours on a day observed as a holiday may use vacation leave, personal time off, compensatory time, or leave without pay at the employee's option to make up the difference between the employee's normally scheduled shift and the eight (8) hours of holiday pay.

6.12.4 Unpaid Holidays. Employees will be granted two (2) unpaid holidays per calendar year for a reason of faith or conscience or an organized activity conducted under the auspices of a religious denomination, church, or religious organization. The employee will select the days on which to take the unpaid holiday(s) after consultation with his or her supervisor as provided by City policy. To the extent reasonably possible, employees should submit leave requests with at least thirty (30) calendar days' notice. Employees may elect to use accrued vacation leave, PTO, compensatory time or floating holidays to remain in paid status on a requested holiday to the extent that such leave is available on the requested date under applicable policies, procedures and/or collective bargaining agreements governing the use of paid leave. An unpaid holiday requested pursuant to City policy will not be denied unless the employee's absence would impose an undue hardship on the City, as defined by applicable rule or regulation.

6.13 The City shall contribute up to \$3.00 per month for long term disability coverage for all permanent non-commissioned City employees.

6.14 The City will maintain an Internal Revenue Service Code Section 125 flexible benefits plan. The City shall pay the monthly per participant administrative fee. Employees cannot utilize this plan for Long Term Disability premium payments. Employees who participate in the City medical plan will be eligible to participate in the Section 125 flexible benefits plan. The maximum annual allowable employee contribution for medical reimbursement shall be based on IRS regulations. At the end of each year any unspent monies in employee flexible benefits accounts will revert to the Labor/Management Health Care Trust Account.

6.15 **Wellness**

6.15.1 Wellness Committee. The parties will maintain a Labor Management Health Care Committee (aka Wellness Committee) during the term of the Agreement to discuss and address issues regarding the City's insurance programs and wellness program. The Wellness Committee will be comprised of four (4) City and four (4) Labor representatives. The Committee will:

- a. Develop monthly or bimonthly newsletters to help educate and encourage the City employees.

Effective January 1, 2020, the meal allowance shall increase to \$18 per occurrence unless an applicable collective bargaining agreement covering an individual member union provides for a higher amount.

City of Tacoma Washington, City and Pierce County Employees
Local Number 120, AFSCME, AFL-CIO**

**Subject: UTS Technology
Date: September 26, 2016**

Advances in technology have presented opportunities for Labor & Management to consider opportunities for consolidation and the ability to leverage common platforms to serve multiple business needs. As the current technology landscape continues to evolve, Labor & Management will need to identify the necessary tools, processes and skill sets for employees that are vital to improving performance, reliability, business needs, and on-going operational efficiencies. As a result, Tacoma Power Utility Technology Section (UTS) desires to reduce redundant efforts and duplicative equipment by investing in a shared resource infrastructure and a new TPU Business LAN. UTS and Local 120 have worked together to understand anticipated technological changes in the utility business, the differences between information technology and operational technology, and the associated opportunities. Both parties are interested in continuing a collaborative working relationship and have agreed to the following:

1. UTS and Local 120 will work together through a labor management sub-committee to identify relevant training and/or certification opportunities related to current and future technologies necessary for their positions. With prior approval from management, and as part of a training and development plan, Local 120 employees within UTS may take training and/or certification courses. It is expected that satisfactory progress will be made towards completing the training and any fees related to training and/or certification testing will either be paid for by UTS or be reimbursed to the employee upon successful completion. Both parties recognize the benefits gained from the investment and commitment being made by UTS in employee training and that such investment is aimed at developing and maintaining highly skilled, competitive employees.
2. It is recognized that positions outside of the bargaining unit working on operational technology located at Tacoma Public Utilities, have been and will continue to perform and be assigned work that is similar in nature to work performed by classifications covered by Local 120. UTS and Local 120 will work together through labor management committee to identify opportunities for future efficiencies.
3. A new classification titled **Integration Developer** will be created with five (5) pay steps as follows:

1	2	3	4	5
44.06	46.25	48.56	50.99	53.54

The Integration Developer classification will be overtime eligible, in accordance with Article 12 of the collective bargaining agreement (CBA) and will be listed in Appendix A of the successor CBA. For technology systems utilized by TPU, UTS will designate the environments the Integrator classification will be assigned.

4. If after hours stand-by is required, UTS will establish a rotational stand-by list. Employees assigned to serve in a standby status will be compensated and so assigned consistent with Section 12.6 of the CBA. The standby schedule will include those individuals that are qualified, demonstrate responsiveness and follow the appropriate after hour procedures. UTS will establish the minimum requirements necessary for employees to be eligible for stand-by. Employees on standby are expected to respond/call back to call within fifteen minutes. Processes and procedures will be established by UTS for handling after hour emergencies.

The parties will continue to work together to address issues and foster collaborative labor relations.
