MEETING DATE: November 18, 2020

SUMMARY: Declare surplus and authorize the negotiated sale of approximately 43 acres of Tacoma Water property identified as Pierce County Assessor Tax Parcel No. 0419141088 located at the northwest corner of 134th Avenue East and 144th Street East to the Puyallup School District No. 3 ("Puyallup") for \$2,025,000.00. As part of the transaction, several easements will be granted to Tacoma Water for continued use of its existing utility infrastructure and access road in support of Tacoma Water's adjacent McMillin Reservoir complex; also, an easement remains in place to Pierce County for access to an adjacent property Tacoma Water sold to them in 2017 as approved by Board via Resolution No. U-10973.

BACKGROUND: No previous request has been submitted to Board in relation to this proposal. The sale property is in a semi-rural to suburban location in central unincorporated Pierce County near Puyallup. It was originally acquired as part of the McMillin Reservoir complex developed in 1912 to store water from the Green River for distribution to the Tacoma Water service area. The Puyallup School District intends to utilize the land as a site for a public school. As Tacoma Water does not need to retain ownership of the property as ownership entails additional management time and expense, it agreed to the sale with reservation of easements for utility infrastructure and access. The sale price is believed to reflect Fair Market Value based on sales activity and appraisal. The terms and conditions of the purchase and sale agreement have been reviewed by the City Attorney's Office and approved by Tacoma Water management and Real Property Services.

Upon approval by the Board, a separate request will be made to the City Council to hold a Public Hearing to be followed by Final Approval. Closing of the sale is expected by February 2021.

The terms and conditions of the purchase and sale agreement have been reviewed by the City Attorney's Office and approved by Tacoma Water management and Real Property Services.

Subject: Declaration of Surplus of Tacoma Water Property adjacent to McMillin Reservoir

Tacoma Water owns a 43± acre vacant tract of land identified as Pierce County Assessor Tax Parcel Number 0419141088 located adjacent to Tacoma Water's McMillin Reservoir near Puyallup in unincorporated Pierce County. Following is the Property Legal Description:

THE EAST HALF OF THE SOUTHEAST QUARTER, SECTION 14, TOWNSHIP 19 NORTH, RANGE 4 EAST, W.M., PIERCE COUNTY, WASHINGTON.

EXCEPT THAT PORTION OF SAID SUBDIVISION DEEDED TO THE CITY OF TACOMA UNDER AUDITOR'S FILE NOS. 334140 AND 720086, RECORDS OF SAID COUNTY.

ALSO EXCEPT THE NORTH 678.52 FEET OF SAID SUBDIVISION.

ALSO EXCEPT THAT PORTION OF SAID EAST HALF FOR 144TH STREET EAST AS DEEDED TO SAID COUNTY UNDER AUDITOR'S FILE NOS. 2211151 AND 2167772, RECORDS OF SAID COUNTY.

ALL SITUATE IN THE COUNTY OF PIERCE, STATE OF WASHINGTON.

Upon review by Tacoma Water management, it has been concluded that there is no foreseeable need for Tacoma Water to retain fee ownership of the property when operational needs can be met by the proposed easement rights to be retained. Therefore, pursuant to City of Tacoma Municipal Code Section 1.06.280, I hereby certify that this property, subject to reservation of required easements, restrictions, and covenants, has no further public use, is surplus to the needs of Tacoma Public Utilities, and that disposing of it would be in the best interests of the City of Tacoma.

WHEREAS, the parties hereto mutually desire to enter into this Agreement defining their rights, duties and liabilities relating to the Property.

WITNESSETH:

NOW, THEREFORE, in consideration of the mutual promises and covenants contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller and Buyer AGREE AS FOLLOWS:

1. Purchase. Seller agrees to sell and convey to Buyer and Buyer agrees to purchase from Seller, subject to the terms and conditions set forth in this Agreement the following real property:

As further described in **Exhibit "A"** attached hereto and made a part hereof, together with all right, title and interest in and to any rights, licenses, privileges, reversions and easements pertinent to the real property, subject to those certain conditions as set forth herein.

The real property together with the rights and interests described above are collectively referred to herein as the "Property."

2. Earnest Money. INTENTIONALLY DELETED

3. Purchase Price. The total purchase price for the Property ("Purchase Price") shall be **TWO MILLION AND TWENTY-FIVE THOUSAND DOLLARS AND NO/100 (\$2,025,000.00)** which shall be paid to the closing agent of Buyer's choice or to Seller in the form of a Buyer warrant or electronic funds transfer at the option of Buyer at Closing as defined in Section 4 below.

4. Closing. The closing will occur not later than thirty (30) days following satisfaction of all conditions set forth under Section 6 "Conditions to Closing" (the "Closing Date"). "Closing," for the purpose of this Agreement, is defined as the date that all documents are executed, the Title Company has irrevocably committed to issue the Title Policy as approved by Buyer under this Agreement (including all endorsements required by the Buyer), the sale proceeds are available for disbursement to Seller, and legal title passes to the Buyer. Buyer is responsible for closing costs except Seller is responsible for the premium for standard insurance coverage as provided under Section 6.3.1 and the fees associated with recordation of the Easement.

5. Title to Property

5.1. Conveyance. At Closing, Seller shall convey to Buyer fee simple title to the Property by a duly executed and acknowledged Bargain and Sale Deed ("Deed"), subject to a restrictive covenant specified therein. The form of said Deed is attached hereto as **Exhibit "B"** and by this reference incorporated herein. Further, at Closing, Buyer shall convey to Seller a perpetual, non-

exclusive Easement for ingress and egress, the distribution, transmission and discharge of water, and a road, and the right to construct, operate, maintain, alter, repair, and replace aboveground and underground utilities including, but not limited to, water mains, water outfalls, and all appurtenant equipment as described therein. The form of said Easement is attached as **Exhibit "C"** and by this reference incorporated herein.

5.2. Condition of Title. Seller hereby agrees that from and after the date hereof and until the Closing or the termination on this Agreement, that it shall not: (a) take any action that will adversely affect title to the Property; (b) lease, rent, mortgage, encumber, or permit the encumbrance of all or any portion of the Property without Buyer's prior written consent; and (c) enter into written or oral contracts or agreements with respect to the operation of the Property, unless the above actions can be cancelled by Buyer on not more than 30 days' notice and without premium or penalty.

5.3. Title Policy. At Closing, and at Buyer's option and expense, as a condition to Closing the Title Company shall issue to Buyer an owner's policy of insurance insuring Buyer's title to the property ("Title Policy").

6. **Conditions to Closing.** Buyer acknowledges and agrees that this Agreement is conditioned upon the following additional reviews, terms, and conditions all of which are to be satisfied prior to Closing:

6.1. Tacoma Public Utility Board and Tacoma City Council Approval. This Agreement, and the transaction contemplated hereby, must be approved by the Tacoma Public Utility Board and the Tacoma City Council (the "Approval") following waiver or satisfaction of the Feasibility Study Period (defined below) but prior to Closing. Seller shall commence this Approval process as soon as reasonably possible following notice by Buyer of waiver or satisfaction of the Feasibility Study Period. The date of "Approval" shall be deemed to be the effective date of a Resolution adopted by the Tacoma City Council.

Provided, however, in the event that either the Resolution of the Tacoma Public Utility Board or the Tacoma City Council imposes a term or condition on the conveyance to Buyer other than as set forth under this Agreement, Buyer shall have a period not to exceed fifteen (15) calendar days from the date of passage of said Resolution by the Tacoma Public Utility Board or the Tacoma City Council to accept or reject such term or condition imposed on the conveyance to Buyer by either the Tacoma Public Utility Board or the Tacoma City Council. If Approval is not obtained or Buyer rejects a term or condition imposed on the conveyance to Buyer by either the Tacoma Public Utility Board or the Tacoma City Council, other than as set forth under this Agreement, this Agreement will terminate, and neither party will have any further rights or obligations under this Agreement, except as otherwise provided for in this Agreement. Nothing in this section will obligate Seller to obtain Public Utility Board and/or City Council approval beyond the ordinary course of City of Tacoma policy or procedure.

- 6.2. Feasibility Study. Buyer acknowledges that, prior to Closing and at its sole cost and expense, Buyer shall have ninety (90) days, from the last date of signature of this Agreement by a party, to inspect the Property and conduct any feasibility studies and any due diligence of the Property Buyer deems necessary, in its sole and absolute discretion ("Feasibility Period"). Seller will assist as needed with any submittals necessary to complete this work. Seller herein grants Buyer, its employees, agents, representatives, and surveyors a right of entry to conduct survey work and inspection of the Property. Any ground disturbing activities must receive prior written approval from and be coordinated with Seller, in the exercise of its reasonable discretion.

Unless Buyer provides Seller with a written notice prior to 5:00 p.m. local Seattle time on the last day of the Feasibility Period that the Buyer (a) has determined, in Buyer's sole and absolute discretion, that the Property is suitable for Buyer's intended use or (b) has waived this condition (an "Approval Notice"), then this Agreement shall terminate.

After waiver or satisfaction of the Feasibility Period, Buyer hereby acknowledges it is purchasing and shall acquire the Property in its physical condition existing at the date of Closing, "AS-IS," "WHERE IS" AND WITH ALL FAULTS, INCLUDING, WITHOUT LIMITATION, THE CONDITION OR STABILITY OF THE SOILS OR GROUND WATERS, THE PRESENCE OR ABSENCE OF HAZARDOUS MATERIALS ON OR UNDER THE PROPERTY, ITS SUITABILITY FOR ANY CONSTRUCTION OR DEVELOPMENT, ZONING, AND SIMILAR MATTERS, SOLELY IN RELIANCE ON BUYER'S OWN INVESTIGATION, EXAMINATION, INSPECTION, ANALYSIS, AND EVALUATION OF THE PROPERTY. As of the date this Agreement is signed by both parties, Seller has made no representations or warranties, express or implied, regarding the Property including, but not limited to, any representations or warranties regarding the suitability of the Property for any construction or development, but excluding those representations and warranties expressly provided in this Agreement, which representations and warranties of Seller under this Agreement, shall survive Closing and shall be deemed to be an exception to the "AS IS" condition set forth above.

- 6.3 Title Review. Buyer shall obtain a commitment for title insurance ("Title Commitment") no later than ten (10) days after mutual execution of this Agreement, setting forth the status of title to the Property and all exceptions which would appear in an owner's policy of title insurance. Buyer shall, on or before 5:00 p.m. local Seattle time on the last day of the Feasibility Period, deliver to Seller, in writing, any objections to matters shown in the Title Commitment. If Buyer timely objects to any item(s) set forth in the Title Commitment ("Title Objection Notice"), then Seller shall have the right, but not the obligation (except as provided in Section 6.3.1 of this Agreement), to attempt to cure or cause to be cured before Closing such disapproved item(s). Seller shall have until 5:00 p.m. local Seattle time on the date no later than ten (10) days after receipt of the Title Objection Notice ("Cure Date") to agree in

writing to cure before Closing such disapproved item(s). If Seller elects not to cure, or fails to timely respond to Buyer's objections, Seller shall be deemed to have elected not to cure, in which event Buyer shall, either (i) terminate this Agreement, or (ii) waive by delivering to Seller a written waiver of its objection to the disapproved item(s), which shall then become permitted exceptions. Buyer's failure to timely deliver to Seller a written notice of termination or waiver of its objection to the disapproved items shall be deemed to constitute Buyer's termination of this Agreement. Buyer shall have five (5) days after receipt of any updates to the Title Commitment to object to any new matters disclosed therein which were not disclosed in the original Title Commitment, and the procedure for objecting to such matters shall be as set forth in this Section 6.3.

6.3.1 Notwithstanding anything herein to the contrary, Seller shall be obligated to remove or discharge the following (collectively "**Seller's Encumbrance**"): (i) any monetary encumbrance; and (ii) any other title matter which is added as an exception to the Title Commitment after the initial Title Commitment that is intentionally or voluntarily placed on the Property by Seller unless approved in writing by Buyer. Should Seller fail to remove any such Seller's Encumbrance at or prior to Closing, Buyer will be entitled to cure and remove such title matter, at Buyer's sole cost and expense. It shall be a condition of Buyer's obligations under this Agreement that at the Closing, Buyer's title to the Property shall be insured by an extended owner's policy of title insurance issued by the Title Company in an amount equal to the Purchase Price, subject only to the permitted exceptions. Buyer may elect to receive an ALTA form of extended owner's title insurance, with such endorsements as Buyer requires; provided, however, that Seller shall only be responsible for the premium for the standard insurance portion of such policy and Buyer shall be responsible for all costs, including any additional survey work needed, for extended coverage that exceeds the cost of the standard policy and for any endorsements requested by Buyer.

7. **Condition of the Property.** Seller agrees that it shall not sell, convey, assign, transfer or encumber any or all of the said Property during the term of this Agreement up to and including the Closing Date, nor construct any improvements on or about the Property, nor commit any waste on the Property, or sell or otherwise transfer any rights in the Property, including but not limited to timber or mineral rights thereto, prior to Closing. Seller further represents and warrants that, to the best of Seller's actual knowledge: (i) no environmentally significant amount of hazardous materials has been generated, treated, released, stored or disposed of, or otherwise deposited on the Property, including without limitation the surface and subsurface waters of the Property; (ii) there are no above ground or underground storage tanks on the Property; (iii) there are no environmentally significant amount of hazardous materials on any other property adjacent to the Property which may support a claim or cause of action under any federal, state or local environmental statute, ordinance, regulation or other regulatory requirement; and (iv) Seller has not received any notification from any Federal, State or local governmental entity or agency of any violation of or claim of violation for the storage or disposal of any toxic or hazardous

waste, material, or substance. The representations and warranties set forth herein shall survive Closing of the transaction contemplated under the Agreement. Other than as provided for in any Right of Entry or other written agreements between the parties relating to the Property, prior to Closing, Seller assumes all risks for damage to or destruction of the Property.

8. **Possession.** Seller shall deliver exclusive possession and control of the Property to Buyer on the Closing Date. Seller shall remove any and all personal property or debris from the Property on or before the Closing Date, unless specifically authorized otherwise in writing by Buyer or placed on the Property by Buyer.
9. **Default; Remedies; Specific Performance.** In the event of material breach or default in or of this Agreement or any of the representations, warranties, terms, covenants, conditions, or provisions hereof by either party, the non-breaching or non-defaulting party shall have, in addition to a claim for damages from such breach or default, the right to terminate this Agreement upon written notice to other party without any additional liability to the other party.
10. **Litigation / Attorneys' Fees.** In the event Seller or Buyer are involved in litigation arising from any failure to perform any of its obligations under this Agreement or a dispute relating to the meaning or interpretation of any provision of this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs related to the dispute.
11. **Professional Advice.** Seller and Buyer hereby acknowledge that it may be advisable for either or both parties to obtain independent legal, tax or other professional advice in connection with this transaction, as the terms and conditions of this Agreement affect the parties' rights and obligations. The parties agree that they have satisfied themselves that they understand the terms and conditions of this sale and have accepted full responsibility to seek such professional advice as they deem necessary.
12. **Release of Seller.** Except with respect to Seller's representations and warranties expressly provided in this Agreement which shall survive Closing of the transaction contemplated under this Agreement, Buyer releases Seller and its directors, officers, employees, and agents from any and all statutory, common law, and other claims, obligations, causes of action, losses, damages, liabilities, costs and expenses (including without limitation attorneys' fees), unknown to Seller, that Buyer may have against Seller arising from, in whole or in part, or related in any way to (a) the physical condition of the Property (including conditions not readily apparent and the presence of any material classified under state or federal law or regulations as hazardous) or (b) any information provided by Seller.
13. **General Provisions.**
