ARTICLE 8 – GRIEVANCE PROCEDURE

Section 8.1 Definitions:

Grievance – A grievance under this Agreement is defined as an alleged violation of a specific Section or Article of this Agreement. To be valid, a grievance must be submitted in writing within (30) calendar days of the alleged violation by the grieving party.

Section 8.2 It is the goal of both the Union and the City to settle problems at the lowest possible level in a cooperative and objective manner. To this end, every effort will be made by both parties to resolve problems at the lowest level. Both parties shall work cooperatively to identify the appropriate manager to respond to a grievance. Initially, the employee is advised to discuss the incident with the shop steward (or Union Representative). Further contacts shall follow this procedure:

Step 1 Discussion with Immediate Supervisor. The employee, or employee and shop steward (or Union Representative), are encouraged to meet with the immediate supervisor (written communication not required). Such meeting shall take place as soon as possible.

The immediate supervisor shall advise the employee, or employee and shop steward (or Union Representative), of the proposed resolution within five (5) working days of this meeting.

- Step 2 If the incident cannot be resolved at the first step, with a discussion with the immediate supervisor, and the employee would like to pursue the grievance, the grievance shall be reduced to writing specifying Section or Sections of the contract violated, relevant facts including the name(s) of the employee(s) affected if applicable, and the proposed remedy and shall be presented to the appropriate manager, with copies to the Union and Labor Relations within thirty (30) calendar days of the alleged violation by the grieving party. This step shall not preclude contacts at lower levels, if this may expedite the resolution process. The appropriate manager shall, within ten (10) working days render a decision in writing to the employee and Union.
- Step 3 If the employee is not satisfied with the response, then within ten (10) working days of receipt of the appropriate manager's answer, the grievance shall be forwarded to the Department/Division Head.
- Step 4 If the employee is not satisfied with the response, then within ten (10) working days of receipt of the Department/Division Head's answer, the employee (or designated representative) will forward the grievance to the Director of Human Resources/Utilities Director for possible resolution.

The Director of Human Resources/Utilities Director (after consultation with the Department/Division Head, the Human Resources Director or their designee, and the Union Business Manager or their designee) shall submit their answer in writing within ten (10) working days after personal receipt of the grievance.

- Option Optional Grievance Mediation. If the parties are unable to resolve a grievance at the Step 4 level, upon mutual agreement of the City and the Union, the parties may request grievance mediation utilizing services provided by the Public Employment Relations Commission. If mediation is agreed to, the parties shall hold timelines of the grievance in abeyance until the conclusion of mediation.

- Step 5 Grievances not resolved under the above steps may be referred to arbitration by either party to this Agreement. Either party may give notice of intention to arbitrate within fifteen (15) working days following completion of the steps listed in the aforementioned sections. A list of five (5) arbitrators shall be requested from the Public Employment Relations Commission, both parties shall meet and each shall strike a name until one (1) arbitrator is selected. The decision by the arbitrator shall be final and binding upon both parties. Each party is responsible for the costs of its representatives, attorneys and all costs related to the development and presentation of their respective cases in arbitration. In the event that the City unsuccessfully challenges an arbitrator's decision in court, or the Union is forced to file an action in court to compel compliance with an arbitrator's award, the Union may seek recovery of attorneys' fees incurred in the court action to the extent such recovery is permitted under RCW 49.48.030. All other agreed to expenses incident to the arbitration shall be divided equally. The arbitrator shall have no power to render a decision that will add to, subtract from, or alter, change or modify this Agreement; and the arbitrator's power shall be limited to an interpretation or application of this Agreement and application of appropriate remedies.

Section 8.3 The time limitations in this Article may be adjusted by mutual agreement, in writing between the Union and the Department/Division. Failure by the non-grieving party to comply

with any of the time limitations as provided in this Article shall constitute a right of the grieving party to proceed to the next step without waiting. Failure of the grieving party to comply with the forgoing time limitations shall constitute resolution of the grievance.

The first deduction will take effect at the end of the month following the City's receipt of sufficient authorization forms. The deduction will occur once per month on the second pay period of the month.

ENUMERATION OF BENEFITS

6.1 Domestic Partners. The City will make available to domestic partners benefits, including insurance, paid leave and statutory Family and Medical Leave, on the same basis that those benefits are provided to employee spouses. Domestic partners will be recognized if the domestic partnership is registered with or recognized by the State of Washington pursuant to RCW 26.60; provided, that the City will continue to recognize domestic partnerships on file with the City as of December 31, 2016, until the participating employee's separation from employment or dissolution of the domestic partnership, whichever occurs first.

During the term of this Agreement, the City will provide medical insurance to employees and their eligible dependents through the plans described in Appendix A.

6.2.1 Eligibility. Permanent, project, appointive, and temporary pending exam employees and their dependents are eligible for coverage beginning on the first day of the calendar month following the date of hire, unless the date of hire is also the first working day of the calendar month, in which case benefits eligibility begins on the date of hire. All other temporary employees and their dependents are eligible for coverage beginning on the first day of the calendar month following 60 days of continuous employment from the date of hire.

6.2.2 Default Options. If permanent, project, appointive and temporary pending exam employees fail to enroll or waive medical coverage within the required enrollment period, the employee will be enrolled automatically in the City's default medical plan. The default plan shall be the Regence BlueShield PPO Plan. If a temporary employee fails to timely enroll or waive coverage, the employee will be determined to have waived coverage, until such time as they enroll pursuant to a qualifying life event or an open enrollment period.

6.2.3 City Payment of Claims/Premiums. Except as provided below, the City will pay the claims or premiums (according to the plan selected by the employee) associated with the medical insurance selected by the employee and eligible dependents from the City's Health Care Trust. The City will not use reserve funds for purposes other than paying costs associated with the maintenance and administration of its health insurance plans without the express negotiation and consent of the Joint Labor Committee.

6.2.4 Employee Contributions to Premiums.

Effective January 1, 2020 through December 31, 2020, Employees selecting employee-only coverage will contribute \$40 per month towards the premium costs of medical insurance. Employees insuring dependents will contribute \$80 per month towards the premium costs of medical insurance.

Effective January 1, 2021, Employees selecting employee-only coverage will contribute \$50 per month towards the premium costs of medical insurance. Employees insuring dependents will contribute \$100 per month towards the premium costs of medical insurance.

Effective January 1, 2020, in addition to these amounts, part-time employees working at least twenty (20), but less than thirty (30) hours per week will be responsible for the remainder of the premium cost of the plan they have selected after the City has made a prorated contribution toward the cost of the plan based on the percentage that the part-time employee's FTE actual hours compensated in the previous month bears to full-time (40 hours per week). Employees will be eligible for benefits based on assigned work schedule. The work schedule shall be determined monthly, for pay periods in the upcoming month. Such schedules will be rounded up to the nearest four (4) hour increment. Part-time employees working thirty (30) or more hours per week will make contributions equal to those of full time employees. For all other purposes or benefit calculations, the City's definitions and policies regarding part-time employment will govern.

- 6.2.5 Wellness Credit.** Employees participating in wellness will receive a \$20 per month credit toward their premium contribution for medical insurance coverage under the Regence PPO Plan or Kaiser Permanente HMO Plan, or a \$40 per month credit toward their premium contribution for coverage under the Regence HDHP/HSA Plan. Employees in a temporary status are not eligible to receive the credit.

Employees or their eligible dependents may not be insured on more than one City medical insurance plan. If an employee has a spouse/domestic partner or adult child under the age of 26 working for the City, and each completes the participation requirements of the Wellness Incentives, each employee will receive the Wellness Credit toward the employee premium contributions for medical insurance coverage.

- 6.2.6 Contributions to HSA Accounts.** Employees who select the Regence HDHP/HSA Plan will receive the following annual contributions to a health savings account. Contributions will be deposited on a monthly basis. Employees may contribute to their own accounts up to the maximum dollar value permitted by applicable law.

The City will not make changes to its dental or vision insurance plans during the term of this Agreement without first bargaining with the Joint Labor Committee. The City will pay the full premium cost for dental and vision insurance for employees and eligible dependents. Part time employees working at least twenty (20), but less than thirty (30) hours per week will be responsible for a prorated contribution toward the cost of the plan based on the percentage that the part-time employee's FTE actual hours compensated in the previous month bears to full-time (40 hours per week). Part-time employees working thirty (30) or more hours per week will make contributions equal to those of full time employees. For all other purposes or benefit calculations, the City's definitions and policies regarding part-time employment will govern.

- 6.4 Dual Coverage.** No City employee or eligible dependent may be insured under more than one City medical, dental, or vision insurance plan. Employees whose spouses/domestic partners/children up to age 26 are eligible for medical insurance benefits through the City will share the costs of insurance as follows:

- 6.4.1 Employees Choosing the Same Plan –** One spouse/domestic partner will be placed on the other's medical, dental, or vision insurance, and the primary spouse/domestic partner will pay the appropriate premium cost for family coverage.

6.4.2 Employees Choosing Different Plans – If spouses/domestic partners elect coverage under different plans, they may not provide coverage to their spouse/domestic partner on their medical, dental, or vision insurance plan. Each employee will pay the appropriate cost share (individual or family) depending on whether they include children on their plan.

6.4.3 Children up to Age 26 – Benefit-eligible employees whose parents are City employees must elect coverage in their name (paying the applicable premium contribution) or coverage as a dependent on their parent's plan (with no premium contribution), but may not receive coverage under two medical, dental or vision insurance plans.

To be eligible to opt out of the medical, dental and/or vision insurance, full-time permanent, project, appointive, and temporary pending exam employees shall be required to: (i) provide the Employer with written proof of alternative medical, dental and vision insurance coverage; and (ii) notify the Employer in writing within thirty (30) calendar days if he/she should lose their alternative medical, dental and vision coverage.

Completion of 28 years or more	288	11.08

6.8.2 Employees shall accrue PTO on a prorated basis according to the percentage their FTE bears to full-time. Employees' PTO accrual rates shall be established as of January 1 of each calendar year and shall be based on the rate applicable to the number of years of aggregate service the employee will complete within that calendar year. An employee may accrue a maximum of 960 hours of PTO.

6.9 On-the-job injury shall be as provided in Section 1.12.090 of the Tacoma Municipal Code. That section provides in part:

6.9.1 In the case of a disability covered by State Industrial Insurance or Worker Compensation, the first three (3) calendar days shall be paid at the regular normal pay and charged to earned leave, in the event the time loss is less than fifteen (15) calendar days.

6.9.2 For one-hundred-twenty (120) working days, the City will pay a supplement payment such that State payment plus City supplement equals eighty-five percent (85%) of regular normal pay.

6.9.3 Pursuant to Ordinance 27753, adopted November 18, 2008, after the payment and use of the one hundred twenty (120) working days, the employee may request to use accumulated sick leave and/or planned time off (PTO) balances to supplement the time loss pay such that the combination of the supplement and the time loss pay equals eighty-five percent (85%) of the employee's normal wage (the employee's rate at the time of injury plus any longevity pay to which the employee is eligible). If the employee elects to use paid sick leave and/or PTO the election will continue until such balances are exhausted or until the employee returns to work. Hours deductions from the employee's PTO or sick leave balances shall be determined by dividing the supplement by the employee's regular hourly wage. Example: Assume a

supplement amount of \$596 dollars is necessary to bring the total to 85%. If the employee's regular wage is assumed to be \$23.84, the deduction from sick leave and/or PTO would be $\$596/\$23.84=25$ hours.

- 6.9.4** Any employee who becomes disabled prior to completing thirty (30) working days' employment with the City, shall receive the compensation disability allowance for a maximum of thirty (30) working days.
- 6.9.5** The above does not apply to Police and Fire commissioned hired prior to October 1, 1977, however, such employees shall have on-the-job injury claims charged against their sick leave accruals in the same manner as other employees of the City.
- 6.9.6** For the purposes of this Section, regular normal pay shall be that rate of the classification in which they were working in on the date of injury.
- 6.10** Group Life Insurance shall be as provided in Section 1.12.096 of the Tacoma Municipal Code. The City will pay one hundred percent (100%) of the cost of premiums for those employees electing to participate. The amount of insurance an employee may purchase is based on their annual salary rounded to the next highest \$1,000 of coverage.
- 6.11** Longevity pay may be provided to employees of member unions pursuant to the terms of Ordinance 20938, which reads in part as follows:
- 6.11.1** Regular, probationary, and appointive employees who through union agreement have elected the option of longevity pay shall receive additional compensation based on a percentage of their base rate of pay received for the class in which they are currently being paid. No application of rate may be used in computing longevity pay.
- 6.11.2** Eligible employees shall receive longevity pay in accordance with the following schedule:
- | | |
|--|--------------|
| From 5 through 9 years aggregate service | 1% per month |
| From 10 through 14 years aggregate service | 2% per month |
| From 15 through 19 years aggregate service | 3% per month |
| 20 years or more aggregate service | 4% per month |
- 6.11.3** Eligibility for longevity pay shall be determined by the length of aggregate City service and will be paid to an employee at the first of the calendar year in which any of the above stipulated periods of aggregate service will be completed.
- 6.12** Holidays shall be as provided in Section 1.12.200 of the Tacoma Municipal Code. This section provides in part that the following and such other days as the City

To be eligible for these floating holidays, employees must have been or scheduled to be continuously employed by the City for four (4) months as a full-time or part-time regular, probationary, or appointive employee during the calendar year of entitlement. An employee hired into a part time status shall receive holiday pay on a prorated basis on the hours that he/she is hired to work.

6.12.3 Full time employees working alternate schedules who are normally scheduled to work more than eight (8) hours on a day observed as a holiday may use vacation leave, personal time off, compensatory time, or leave without pay at the employee's option to make up the difference between the employee's normally scheduled shift and the eight (8) hours of holiday pay.

Employees who participate in the City medical plan will be eligible to participate in the Section 125 flexible benefits plan. **MEMORANDUM OF UNDERSTANDING
BY AND BETWEEN
CITY OF TACOMA
AND
INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS, LOCAL 483
CUSTOMER AND FIELD SERVICES UNIT**

Subject: Outage Call Center (OCC)

Originally signed: 9/20/2012

Revised: 9/21/2015 and 8/28/2019

The City of Tacoma and the International Brotherhood of Electrical Workers, Local 483, Customer and Field Services Unit, hereby enter into this Memorandum of Understanding regarding the staffing guidelines that will be utilized when the Outage Call Center (OCC) is activated.

The Parties agree to the following:

1. The City will maintain a voluntary call-out list of Customer Service Representatives (CSR), Customer Service Representatives Technical, (CSRT), Meter Readers (MR), and Utilities Field Investigators, (UFI), assigned to the Tacoma Public Utilities Customer Service Division. This call-out list will be used during an outage event outside of normal business hours. Employees on the callout list will be sorted by classification in the following order, CSR, CSRTs (combined), then MRs, and UFIs (combined), by willingness, response time and seniority. Employees who volunteer must be fully capable of responding within thirty (30) minutes upon notification of an OCC start-up. The process for selection will begin with the most senior CSR, based upon willingness and response time followed next by the most senior CSRT, based upon willingness and response time; This pattern will be utilized as employees are selected from the call-out list until all CSR and CSRTs have been contacted. If additional employees are needed to staff the OCC, selection will begin with the most senior MRs based upon willingness and response time followed by the most senior UFI. This pattern will be utilized as employees are selected from the call-out list until all MR and UFIs have been contacted. Once the end of the list is reached, further selections, if additional employees are needed to staff the OCC, will begin by starting the selection process over beginning with the CSR and CSRTs then MRs and UFIs.
 - a. A telephone contact log will be maintained to document that each employee on the list has been called. Employees that change their phone numbers of home location are responsible for notifying the OCC Coordinator of said changes.
 - b. Once the OCC has been activated the list will be called in a rolling manner. If the OCC is closed, calling from the list will begin at the start of the list once the OCC is reopened.
2. The City will maintain a voluntary call-out list of Customer Service Representative, Leads (CSRL), assigned at the Tacoma Public Utilities Customer Service Division who will serve as OCC Coordinators during an outage event outside of normal business hours. Employees on the call out list will be listed by willingness and seniority. In the event there are not enough CSRL to staff the OCC, the City reserves the right to call-in any

CSRL, a trained CSRT that would be setup to a lead, prior to calling in a supervisor to serve as an OCC Coordinator.

3. If management determines the severity of the outage event warrants or there are not enough employees to staff the OCC, the management may call-in additional employees, as needed, to assist with OCC responsibilities.
4. Any employee who does not report to work for their regularly scheduled work day, due to an unscheduled absence or leave of absence, will not be considered eligible for OCC call out until the initial selection process has occurred and additional employees are needed to staff the OCC. At that time, the employee's name will be considered eligible to be called on the list in the position they would have been placed if they had not been absent.
5. An employee assigned to work an OCC event before or after their regular work day may work a maximum of eight (8) hours of overtime in any twenty-four (24) hour period, as determined by management. Exceptions to this limit may be agreed upon between the employee and management. Employees will be paid at their regular rate for OCC activities occurring during the employees' regularly scheduled work day.
6. All employees are expected to work their normally scheduled work day. However, where an employee has worked during an OCC event, outside of normal business hours, and feels they cannot continue to work their regular work day, management will consider the use of sick leave or personal time off (PTO) for the remainder of the scheduled work day. Management may also consider an adjustment to the employees scheduled work day in accordance with Article 12.7 of the Collective Bargaining Agreement.
7. If an OCC event occurs during normal business hours, volunteers for any resulting overtime will be sought, by classification, by seniority, from employees still currently at work, prior to selecting employees from the call out lists. Similarly, if an event occurs during scheduled overtime, volunteers to work the OCC outage will be sought, by classification, by seniority, from the employees currently at work, prior to selecting employees from the call out lists.
8. When the OCC is open during regular business hours, those Meter Reader and Utilities Field Investigator employees who have been trained on the OCC may be afforded the opportunity to work their regular schedule assisting with OCC duties when management determines that their regular work may not be performed.
9. The City reserves the right to outsource the OCC functions to an emergency response agency.

The Parties further agree:

Either party may reopen or cancel this MOU with thirty (30) days' notice to the other party.

**Subject: Permanent Status for Customer Service Representative, Technical
Denise Hottel and Christina Parise**

The City of Tacoma and IBEW Local 483: Customer & Field Services Unit, hereby enter into this Letter of Agreement which shall be attached to the Collective Bargaining Agreement and incorporated as though fully set forth.

Denise Hottel and Christina Parise both took lateral transfers into project positions March 17, 2008 from Customer Service to Public Works. Recent review of the work performed in their positions at Customer Service, in 2008, supports that had these employees remained in their Customer Service positions they would have been given permanent status in the Customer Service Representative, Technical classification through the implementation of the classification and compensation study Local 483 Customer & Field Services addendum, effective January 1, 2010.

It is agreed that the following terms and conditions shall apply to these permanent appointments with the effective date in concurrence with the date approved through the Civil Service Board to allow the non-competitive appointments.

The incumbents' City service dates shall remain as they are which are used to determine longevity pay and retirement.

The job/classification seniority date for these employees in the Customer Service Representative, Technical classification will be based on the date on which the class/comp wages for the Local 483 Customer & Field Services contract were made effective, which is January 1, 2010.
