COMMUNITY ENGAGEMENT/ CUSTOMER RESEARCH:

Directly supports the furtherance of commerce on the most fuel-efficient mode of surface transportation.

ALTERNATIVES:

Presumably, your recommendation is not the only potential course of action; please discuss other alternatives or actions that City Council or staff could take. Please use table below.

This AGREEMENT is between the WASHINGTON STATE DEPARTMENT OF TRANSPORTATION hereinafter referred to as the “STATE”, and City of Tacoma, Department of Public Utilities – Beltline Division dba Tacoma Rail, hereinafter referred to as the “RECIPIENT,” collectively referred to as the “PARTIES” and individually the “PARTY.”

WHEREAS, in Engrossed Substitute House Bill 2134, Chapter 472, Laws of 2024 (pv), Section 308 (1) the Washington State Legislature provided appropriations for projects in the LEAP Transportation Document 2024-2 as developed March 6, 2024;

WHEREAS, the “Railway Equipment” (the “PROJECT”) is included in the LEAP transportation document and is authorized STATE funds for the expenditure of up to \$650,000 (Six Hundred Fifty Thousand Dollars);

WHEREAS, in chapters 47.06A and 47.76 RCW the Washington State Legislature has determined that freight rail systems are important elements of the STATE’s multimodal transportation system and permits the STATE to provide financial assistance to cities, counties, ports, and railroads for the purposes of acquiring, rebuilding, rehabilitating, or improving rail lines necessary to maintain use of the essential rail service;

WHEREAS, RCW 47.76.250(9) provides that repayment of loans shall occur within a period not longer than fifteen (15) years, as set by the STATE, and that the repayment schedule and rate of interest, if any, shall be determined before the distribution of the moneys; and

NOW, THEREFORE, pursuant to the above recitals that are incorporated herein as if fully set forth below and in consideration of the terms, conditions, covenants and performances contained in this AGREEMENT, or attached hereto and by this reference made a part of this AGREEMENT, IT IS MUTUALLY AGREED AS FOLLOWS:

SECTION 1 SCOPE OF WORK

1.1 EXHIBIT A, which is attached hereto and by this reference made a part of this AGREEMENT, defines the Scope of Work for the PROJECT.

SECTION 2 PAYMENTS TO THE RECIPIENT

2.1 Subject to the stipulations set forth in SECTION 1 - SCOPE OF WORK, the STATE agrees to loan the RECIPIENT up to a maximum amount of \$640,000 (Six Hundred Forty Thousand Dollars) for the

actual direct and related indirect costs expended by the RECIPIENT in the course of completing the PROJECT required under this AGREEMENT.

2.2 Prior to initiating any work for performance hereunder, the RECIPIENT shall provide the STATE with the proposed schedule for each item of work to be performed. The schedule shall be arranged in such a manner as to form a basis for comparison with progress billings for work performed. In the event of a change in the method or time for performance of any work, the RECIPIENT shall update the schedule, subject to the STATE's approval, to reflect the changed circumstances.

2.3 It is understood that the actual PROJECT costs under this AGREEMENT are based on preliminary estimates and that if unforeseen circumstances cause the PROJECT costs to exceed the PROJECT estimate, the RECIPIENT shall complete the PROJECT and assume the entire cost overrun without any increase of the STATE's maximum loan commitment made herein.

2.4 Any costs expended by the RECIPIENT prior to the execution of this AGREEMENT will be borne by the RECIPIENT and will not be eligible for reimbursement from the STATE.

2.5 The RECIPIENT shall comply with all provisions of the most recent version of 48 CFR § 31 (Contract Cost Principles and Procedures) or as subsequently amended, regarding accounting conventions.

2.6 The RECIPIENT shall provide the STATE with documentation confirming local matching share amounts have been secured and used for the PROJECT.

2.7 If the STATE, at the sole discretion, determines that the PROJECT is not progressing in a satisfactory manner, the STATE may refuse to loan STATE monies for reimbursement to the RECIPIENT for parts or all of the work performed to date.

2.8 If the PROJECT is not completed by June 30, 2026, the RECIPIENT and STATE agree that the entire expense for the completion of the PROJECT will be borne solely by the RECIPIENT. The RECIPIENT shall then also be automatically in default and will be obligated to reimburse the STATE for the full amount of LOAN funds paid to the RECIPIENT to date, per the terms of SECTION 5 - OBLIGATIONS TO REPAY LOANED MONIES. Any required repayment shall be due within thirty (30) calendar days after receipt of an invoice from the STATE.

SECTION 3 PROGRESS PAYMENTS

3.1 The RECIPIENT may forward progress billings to the STATE for disbursement of funds by STATE loaned monies for PROJECT related work performed pursuant to EXHIBIT A.

3.2 The STATE shall loan monies for eligible PROJECT costs expended and paid related to work performed during the invoice period. The RECIPIENT may submit invoices at any time, but not more frequently than once per month. The STATE will disburse funds to the RECIPIENT for properly billed and supported amounts within thirty (30) calendar days of receipt of a progress billing.

3.3 The RECIPIENT shall submit these monthly invoices detailing work completed and a PROJECT status report. The STATE shall make periodic payments to the RECIPIENT for costs expended under this AGREEMENT. Supporting documentation for all costs being invoiced shall be submitted with the invoice. Payment by the STATE shall not relieve the RECIPIENT of any obligation to make good any defective work or material upon PROJECT completion.

3.4 At the time the final PROJECT invoice is submitted, the RECIPIENT shall provide the STATE with a written statement confirming the RECIPIENT is in compliance with the terms of the AGREEMENT. The STATE will provide an example of this written statement upon request.

3.5 Per chapter 43.88 RCW, any invoices for work performed between July 1 and June 30 of any given year must be submitted to the STATE no later than July 6th (or the first business day after the July 4th

holiday) of the same calendar year. If the RECIPIENT is unable to provide an invoice for such work by this date, an estimate of all remaining payable costs owed by the STATE for work performed by the RECIPIENT prior to July 1 must be submitted to the STATE no later than July 19th of the same year in order for the STATE to accrue the amount necessary for payment. The RECIPIENT will thereafter submit any remaining invoices to the STATE for such work as soon as possible. Failure to comply with these requirements may result in delayed payment. The STATE shall not be required to pay to the RECIPIENT late payment fees, interest, or incidental costs expensed by the RECIPIENT or any other costs related to a delayed payment if the RECIPIENT fails to comply with the invoice requirements of this SECTION.

3.6 The RECIPIENT shall receive payment from the STATE for the actual cost of items identified in EXHIBIT A, less net salvage value of any material being replaced in carrying out the PROJECT construction. Labor, materials, and/or other PROJECT costs supplied by the RECIPIENT will only be repaid at actual cost without markup to the STATE or profit.

3.7 Any materials salvaged under this PROJECT will be stockpiled, inventoried, and sold with the proceeds credited to the PROJECT. Documentation shall include the amount of materials salvaged, the amount actually sold, and amount received which will be credited back to the PROJECT on the final submitted invoice.

3.8 Reserved

3.9 Disbursement of funds for overhead costs will not be allowed unless specified in this AGREEMENT.

3.10 Disbursement of funds for travel, subsistence, and lodging expenses will not be eligible under this AGREEMENT unless specifically preapproved in writing by the STATE. If preapproved, the RECIPIENT shall comply with the rules and regulations regarding travel costs that are contained in EXHIBIT B, attached hereto and by this reference made a part of this AGREEMENT. Billing for non-salary cost, directly identifiable with the PROJECT, if any, shall be an itemized listing of the charges supported by copies of the original bills, invoices, expense accounts and miscellaneous supporting data submitted by the RECIPIENT with each invoice. All above charges must be essential to the work conducted under this AGREEMENT. Crew travel time between normal workstation and jobsites will not be considered travel under this restriction.

3.11 Reserved

3.12 Most of Washington state is covered under the Industrial Fire Precautions Levels (IFPL) system which, by law, is managed by the Department of Natural Resources (DNR). In some cases, jurisdiction is transferred to the United States Forest Service or to the local fire authority. It is the RECIPIENT's responsibility to be familiar with the IFPL requirements and to verify whether or not IFPL applies. The online access for the IFPL is contained in EXHIBIT C, attached hereto and by this reference made a part of this AGREEMENT.

3.13 Billing for non-salary cost, directly identifiable with the PROJECT, if any, shall be an itemized listing of the charges supported by copies of the original bills, invoices, expense accounts and miscellaneous supporting data submitted by the RECIPIENT with each invoice. All above charges must be essential to the work conducted under this AGREEMENT. Crew travel time between normal workstation and jobsites will not be considered travel under this restriction.

3.14 Lending monies by the STATE for any work completed shall not relieve the RECIPIENT of any obligation to make good any defective work or material.

3.15 It is agreed that any money loaned by the STATE, pursuant to any RECIPIENT payment request, will not constitute agreement as to the appropriateness of any item, and that required adjustments, if any, will be made at the time of STATE's final payment. In the event that the STATE and/or their representatives conducts an audit, and that audit indicates an overpayment of moneys loaned against costs

expensed by the RECIPIENT, the RECIPIENT agrees to pay the overpayment to the STATE within thirty (30) calendar days after being billed therefore. Amounts paid for any overpayment pursuant to this SECTION will be in addition to the RECIPIENT's repayment obligation under SECTION 5 - OBLIGATIONS TO REPAY LOANED MONIES of this AGREEMENT.

SECTION 4 LOAN REPAYMENTS BY THE RECIPIENT

4.1 The STATE agrees to loan the RECIPIENT up to a maximum principal amount of \$640,000 (Six Hundred Forty Thousand Dollars) for the purpose of completing the PROJECT. The RECIPIENT shall repay the STATE in accordance with EXHIBIT D, REPAYMENT SCHEDULE, attached hereto, and by this reference made part of this AGREEMENT. The STATE has estimated its actual direct and indirect costs to be \$10,000 (Ten Thousand Dollars). Therefore, the total loan repayment amount is equal to the maximum principal amount in addition to an interest amount representing the STATE administrative costs, or \$650,000 (Six Hundred Fifty Thousand Dollars).

SECTION 5 OBLIGATIONS TO REPAY LOANED MONIES

5.1 At the STATE's sole option, the RECIPIENT shall immediately repay the full amount of any loans paid to the RECIPIENT up to that date, if any of the following events occur:

5.1.1 If the RECIPIENT does not complete the PROJECT tasks specified in EXHIBIT A by 6/30/27;

5.1.2 Sale, conveyance or transfer of the RECIPIENT property underlying the PROJECT rail improvements within the loan re-payment period;

5.1.3 Any sale, conveyance, transfer, or removal of all or any of the PROJECT capital improvements or equipment purchased with the funds from this AGREEMENT within the loan re-payment period;

5.1.4 Any transfer, conveyance, or sale of all or any of the PROJECT capital improvements or equipment purchased with monies loaned under this AGREEMENT to any person or entity, public or private, that at any time subsequent to that transfer, conveyance, or sale removes the PROJECT rail improvements or equipment purchased with loaned monies from this AGREEMENT, or significant portions thereof, from operation within the loan re-payment period; and

5.1.5 Any abandonment or other liquidation by the RECIPIENT or its successor of the PROJECT capital improvements or equipment purchased with monies loaned under this AGREEMENT for any reason whatsoever within the loan re-payment period.

5.2 Any payment by the RECIPIENT to the STATE pursuant to this SECTION shall be payable in U.S. Funds and sent via certified mail to the STATE contact person identified in SECTION 23 - NOTICES of this AGREEMENT not more than thirty (30) calendar days from receipt of written notice from the STATE that repayment is required.

SECTION 6 TERM

6.1 This AGREEMENT shall become effective upon the date the last PARTY signs the AGREEMENT. The AGREEMENT shall continue in full force until the loan and interest have been completely repaid to the STATE. RECIPIENT, at its discretion, may repay the loan and any associated interest in its entirety prior to the last scheduled payment in EXHIBIT D; however, any such payment made by RECIPIENT that exceeds a regularly scheduled payment in EXHIBIT D, but does not satisfy the entire loan, shall not relieve RECIPIENT of its obligation to repay in full the next and any future scheduled payments in EXHIBIT D.

SECTION 7 CONTINGENT INTERESTS

7.1 The RECIPIENT agrees that the STATE shall retain a Contingent Interest in a form consistent with RCW 47.76.250(10) in the PROJECT's capital improvements and the equipment purchased with the funds from this AGREEMENT as described in EXHIBIT A, which binds the RECIPIENT, and its successor(s), to continue and maintain the PROJECT in an operating condition that is viable for use in rail line.

7.2 The STATE shall maintain its Contingent Interest until the RECIPIENT fully repays the loan. During this time the RECIPIENT shall not (a) use the rail line, property or equipment purchased with funds from this AGREEMENT as collateral, (b) remove track, or associated elements for salvage, (c) perform any of the activities listed in SECTION 5, or (d) use the PROJECT capital improvements or equipment in any manner subordinating the STATE's Contingent Interest without obtaining prior written approval from the STATE. The STATE's Contingent Interest specified under this provision shall apply to any person or persons, company or companies, to include but not limited to any parent or subsidiary company or corporation of RECIPIENT, that may have an interest in the PROJECT.

7.3 The requirement that the PROJECT capital improvements and equipment be maintained for rail service shall also be required of all subsequent purchasers, persons, or entities acquiring all, or a material portion of, the line upon which the PROJECT is constructed. The RECIPIENT shall be obligated to include in any contract of sale or other dispositional agreement for all, or any portion of, the PROJECT provisions sufficient to perpetuate the STATE's Contingent Interest to the PROJECT capital improvements and equipment upon the consummation of any such conveyance. The RECIPIENT further agrees that, as a precondition to the RECIPIENT's execution of any agreement to transfer ownership of all, or a material or equipment portion of, the line upon which the PROJECT is constructed to a subsequent purchaser, assignee, or recipient, the entire outstanding balance of the loaned monies will become immediately due and payable by the RECIPIENT.

7.4 The RECIPIENT shall execute and deliver to the STATE all agreements, instruments and documents that the STATE requests as necessary to perfect and maintain the STATE's Contingent Interest as set forth in this SECTION, in a form and substance acceptable to the STATE, as a condition precedent to the RECIPIENT's right to seek loan monies under this AGREEMENT.

7.5 The RECIPIENT shall make appropriate entries upon its financial statements and its books and records disclosing the STATE's Contingent Interest under this SECTION.

SECTION 8 EMPLOYMENT AND INSPECTION OF WORK

8.1 The RECIPIENT shall employ all persons or contractors necessary to perform the PROJECT work and agrees to be responsible for the management, control, operation, construction, maintenance, and repairs that are essential to this PROJECT. The STATE may place an Engineer, Project Manager, and/or other inspection personnel on the work site during the term of this AGREEMENT to monitor progress of the PROJECT and/or to monitor adherence to the required provisions of this AGREEMENT. The RECIPIENT shall make the site accessible to STATE inspection personnel. This may include providing transportation to remote, inaccessible work sites, at the expense of the RECIPIENT.

8.2 The STATE will inspect progress at the work site, as it deems appropriate. In the event that the RECIPIENT subcontracts to obtain material, equipment, and/or any work necessary to complete any PROJECT related track work, the RECIPIENT will be responsible for certifying that all track work is in compliance with Federal Railroad Administration Track Standards.

8.3 Upon completion of the PROJECT, a joint inspection shall be made by the authorized representatives of each of the PARTIES to determine that the work has been completed within the terms of this AGREEMENT.

SECTION 9 OWNERSHIP OF PROJECT EQUIPMENT

9.1 Subject to the STATE's sole discretion, the STATE shall hold legal title to all vehicles and other equipment identified in EXHIBIT A. The RECIPIENT accepts the STATE's legal ownership of such PROJECT equipment throughout the contingent interest period of the PROJECT. RECIPIENT shall provide the STATE legal title upon acquisition or modification of vehicles or equipment using funds under this AGREEMENT.

9.2 The STATE reserves the right to transfer legal title back to the RECIPIENT at the end of the contingent interest period in SECTION 4. Upon the STATE's right to transfer legal title to the RECIPIENT, the RECIPIENT agrees to accept legal title.

SECTION 10 LOSS OR DAMAGE TO PROJECT EQUIPMENT

10.1 The RECIPIENT, at its own expense, shall cover any loss, theft, damage, or destruction of the PROJECT equipment. The RECIPIENT agrees that any loss, theft, damage, or destruction of the PROJECT equipment does not relieve the RECIPIENT of any obligations to repay STATE loan monies. If the RECIPIENT does not replace or repair any PROJECT equipment that has been lost, stolen, damaged, or destroyed within sixty (60) calendar days of such, the RECIPIENT shall then be automatically in default and will be obligated to reimburse the STATE for the full amount of loan funds already paid to the RECIPIENT.

SECTION 11 USE AND MAINTENANCE OF PROJECT CAPITAL IMPROVEMENTS AND OTHER EQUIPMENT PURCHASED WITH FUNDS FROM THIS AGREEMENT

11.1 The RECIPIENT agrees that PROJECT property, equipment, and supplies shall be used solely for the PROJECT activity for the duration of its useful life. Should the RECIPIENT unreasonably delay or fail to use PROJECT property, equipment, or supplies during its useful life, the RECIPIENT understands that the STATE may require the return of the entire amount of STATE assistance expended on that property, equipment, or supplies.

11.2 The RECIPIENT will give timely notice and receive prior written approval from the STATE for any proposal to use PROJECT property, equipment or supplies in a manner substantially different than set forth in this AGREEMENT.

11.3 The RECIPIENT shall make all necessary repairs and reasonably maintain the capital improvements and equipment purchased with the funds from this AGREEMENT so long as the STATE retains rights as specified in the SECTION 7 - CONTINGENT INTERESTS. The costs of service, materials, and repairs in connection with the use and operation of the PROJECT shall be at the RECIPIENT's expense.

SECTION 12 MAINTENANCE OF RECORDS AND AUDIT REQUIREMENTS

12.1 During the progress of the work, and for a period of not less than six (6) years from the date of final payment to the STATE by the RECIPIENT, records and accounts of the RECIPIENT are to be kept available for inspection and audit by representatives of the STATE.

12.2 Copies of the records shall be furnished to the STATE upon request and shall be maintained in accordance with accepted job cost accounting procedures as established in 48 CFR § 31. All costs must be supported by actual invoices and canceled checks. The RECIPIENT agrees to comply with the audit requirements contained herein, and to impose the same requirement on any consultant, contractor, or subcontractor who may perform work funded by this AGREEMENT.

12.3 The records to be maintained by the RECIPIENT shall include, but are not limited to, the following:

12.3.1 Records that identify the sources and applications of funds for this AGREEMENT and contain information pertaining to outlays;

12.3.2 Supporting source documents;

12.3.3 All documentation underlying the preparation of the financial reports;

12.3.4 Any other records which are required following notification of an amendment to State of Washington or federal regulations which takes effect during the period in which costs are allowable; and

12.3.5 Any other records necessary to disclose fully the amount and disposition of the funds provided to the RECIPIENT under this AGREEMENT and charged to the PROJECT, supported by documents evidencing in detail the nature and propriety of the charges, the total cost of each undertaking for which the assistance was given or used, the amount of the costs of the undertaking supplied by other sources, and other books, records, and documents needed for a full and complete verification of the RECIPIENT's responsibilities and all payments and charges under this AGREEMENT.

12.4 In the event that any litigation, claim or audit is initiated prior to the expiration of said six-(6) year period, the records shall be retained until such litigation, claim, or audit involving the records is complete.

SECTION 13 QUALITY ASSESSMENTS

13.1 The RECIPIENT's project management of the PROJECT may be subject to periodic assessments by the STATE for quality assurance purposes. If requested, the RECIPIENT shall provide the necessary staffing to attend assessment interviews, accommodate STATE personnel during field visits, and make available for the STATE to review, requested examples of documentation that supports its quality management activities.

SECTION 14 FINAL REPORT AND FINAL INSPECTION

14.1 Within ninety (90) days following the completion of the PROJECT and submission of the final billing for the PROJECT, a final report and/or final inspection shall be submitted to the Director, Rail, Freight and Ports containing the following information:

14.1.1 Non-Capital Projects

14.1.1.1 A description of the project or program.

14.1.1.2 A summary of actual costs of the project or program.

14.1.1.3 An evaluation of the project or program. This should address aspects such as transportation and/or other benefits to the public.

14.1.2 Capital Projects

14.1.2.1 A final inspection is required by the STATE for acceptance.

SECTION 15 LEGAL RELATIONS

15.1 No liability shall attach to the RECIPIENT or the STATE by reason of entering into this AGREEMENT except as expressly provided herein.

SECTION 16 LAWS TO BE OBSERVED

16.1 General Compliance. The RECIPIENT shall comply with all applicable federal, state, and local laws, rules, regulations, and orders pertaining to the PROJECT, and to the extent applicable, 48 CFR Part 31 (Contract Cost Principles and Procedures) and 2 CFR Part 200 (Uniform Administrative Requirements Cost Principles, and Audit Requirements for Federal Awards). If any action or inaction by the RECIPIENT results in a fine, penalty, cost, or charge being imposed or assessed on or against the RECIPIENT and/or the STATE, the RECIPIENT shall assume and bear any such fine, penalty, cost, or charges. In the event the STATE, for any reason, is required to pay the same, the RECIPIENT, upon demand, shall promptly reimburse, indemnify, and hold harmless the STATE for or on account of such

fine, penalty, cost or charge and shall also pay all expenses and attorney's fees expensed in defending any action that may be brought against the STATE on account thereof. The RECIPIENT shall, in the event of any such action and upon notice thereof from the STATE, defend any such action(s) free of cost, charge and expense to the STATE.

16.2 Permits and Compliance with land use and environmental laws. The RECIPIENT shall be responsible for obtaining all necessary permits from federal, state, and local agencies of government and compliance with land use and environmental regulations pertaining to the performance of work under this AGREEMENT.

16.3 Compliance with Social Laws. During the term of the AGREEMENT, the RECIPIENT and its contractors, subcontractors, and lessees shall comply with all applicable STATE and FEDERAL workmen's compensation, employer's liability and safety and other similar laws applicable to the RECIPIENT.

16.4 Equal Employment Opportunity. In connection with the execution of this AGREEMENT, the RECIPIENT or its Contractor shall not discriminate against any employee or applicant for employment because of race, creed, marital status, age, color, sex or national origin, or disability, except for a bona fide occupational qualification.

16.5 Nondiscrimination.

16.5.1 Nondiscrimination Requirement. During the term of this AGREEMENT, RECIPIENT, including any subcontractor, shall not discriminate on the bases enumerated at RCW 49.60.530(3). In addition, RECIPIENT, including any subcontractor, shall give written notice of the nondiscrimination requirement to any labor organizations with which the RECIPIENT, or subcontractor, has a collective bargaining or other agreement.

16.5.2 Obligation to Cooperate. RECIPIENT, including any subcontractor, shall cooperate and comply with a Washington state agency investigation regarding any allegation that RECIPIENT, including any subcontractor, has engaged in discrimination prohibited by the AGREEMENT pursuant to RCW 49.60.530(3).

16.5.3 Default. Notwithstanding any provision to the contrary, the STATE may suspend RECIPIENT, including any subcontractor, upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by the AGREEMENT, pursuant to RCW 49.60.530(3). Any such suspension will remain in place until the STATE receives notification that RECIPIENT, including any subcontractor, is cooperating with the investigating state agency. In the event RECIPIENT, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), the STATE may terminate this AGREEMENT in whole or in part, and RECIPIENT, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. RECIPIENT or subcontractor may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.

16.5.4 Remedies for Breach. Notwithstanding any provision to the contrary, in the event of AGREEMENT termination or suspension for engaging in discrimination, RECIPIENT, subcontractor, or both, shall be liable for contract damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, which damages are distinct from any penalties imposed under chapter 49.60 RCW. The STATE shall have the right to deduct from any monies due to RECIPIENT or subcontractor, or that thereafter become due, an amount for damages RECIPIENT or subcontractor will owe the STATE for default under this provision.

SECTION 17 REPRESENTATIONS, WARRANTIES, AND COVENANTS

17.1 The following representations and warranties by the PARTIES hereto shall be considered conditions precedent to the effectiveness of this AGREEMENT.

17.2 The RECIPIENT represents and warrants the following:

17.2.1 That it is a corporation duly organized, validly existing and in good standing under the laws of the State of Washington;

17.2.2 That the monies the RECIPIENT will derive through this AGREEMENT will be used solely for the PROJECT as defined in this AGREEMENT;

17.2.3 That it has the full power and authority to enter into this AGREEMENT, and to carry out the obligations, which it has hereby undertaken;

17.2.5 That execution of this AGREEMENT and the performance of the improvement hereunder will not violate any statute, rule, regulation, order, writ, injunction or decree of any Court, administrative agency or government body;

17.2.6 It is the intent of the STATE to partially reimburse the RECIPIENT for its actual PROJECT costs. It is understood that if unforeseen circumstances cause the PROJECT cost to exceed the PROJECT estimate, the RECIPIENT shall complete the PROJECT and assume the entire cost overrun;

17.2.7 That the RECIPIENT has not employed or retained any company or person to solicit or secure this AGREEMENT, and that it has not paid or agreed to pay any company or person, any fee, commission percentage, brokerage fee, gifts, or any other consideration, contingent upon or resulting from the award or making of this AGREEMENT. For breach or violation of this warranty, the STATE shall have the right to terminate this AGREEMENT without liability;

17.2.8 That the RECIPIENT shall not engage on a full, part-time, or other basis, during the period of the AGREEMENT, any professional or technical personnel, to work on this AGREEMENT, who are, or have been, at any time during the period of the AGREEMENT in the employ of the STATE without written consent of the employer of such person; and

17.2.9 That the RECIPIENT shall not extend any loan, gratuity, or gift of money in any form whatsoever to any employee, agent, or officer of the STATE nor will the RECIPIENT rent or purchase any equipment or materials from any employee or officer of the STATE.

SECTION 18 FORCE MAJEURE

18.1 It is further understood and agreed that neither the RECIPIENT nor the STATE, as the applicable case may be, shall be required to keep this AGREEMENT in effect during any period(s) it is prevented from doing so by governmental action, war, strikes, riots, terrorism, pandemic, or civil commotion, or if the rail facilities or any portion thereof is made unserviceable by Acts of God including, but not limited to, floods, high water, or other damage by the elements.

SECTION 19 TERMINATION

19.1 Convenience – The STATE may terminate this AGREEMENT in whole, or in part, upon thirty (30) calendar days written notice whenever:

19.1.1 The requisite loan funding becomes unavailable through failure of appropriation or otherwise; and/or

19.1.2 The STATE determines that such termination is in the best interests of the STATE.

19.2 If the STATE exercises its rights under SECTION 19.1, the STATE shall reimburse the RECIPIENT for any expenses and costs eligible hereunder prior to receipt of such notice of termination.

19.3 Fault – Should either the STATE or the RECIPIENT substantially fail to perform their obligations under this AGREEMENT, and continue in such default for a period of sixty (60) calendar days, the PARTY not in default shall have the right at its option, after first giving thirty (30) calendar days written notice thereof by certified mail to the PARTY in default, to terminate this AGREEMENT. Should either the STATE or RECIPIENT fail to exercise any right or remedy during the sixty (60) calendar days in which the other PARTY is in default, such failure shall not subsequently be deemed a waiver of, or preclude the exercise of that or any other right or remedy hereunder. The termination of this AGREEMENT shall not impair any other rights of the terminating PARTY under this AGREEMENT or any rights of action against the defaulting PARTY for the recovery of damages. For purposes of this provision, a substantial failure to perform on the part of the RECIPIENT shall be deemed to include, but shall not be limited to, any action of the RECIPIENT that jeopardizes its ability to perform pursuant to this AGREEMENT.

19.4 Default – In the event that either PARTY commits a material breach of its obligations under this AGREEMENT and fails to cure that breach within sixty (60) days after receiving written notice thereof, the other PARTY may terminate this AGREEMENT immediately upon written notice to the PARTY in breach.

20.1 The RECIPIENT shall indemnify and hold the STATE and all its officers and employees harmless from, and shall process and defend at its own expense all claims, demands, or suits at law or equity arising out of this AGREEMENT caused by the performance or failure to perform by the RECIPIENT, its agents, employees and/ or its subcontractors of any and all duties prescribed by, or incidental to its performance under, this AGREEMENT; provided that nothing herein shall require the RECIPIENT to indemnify or hold the STATE harmless against claims, demands, or suits based solely upon the negligent conduct of the STATE, its officers or employees; and provided further that if the claims, demands or suit is caused by or results from the concurrent negligence of (a) the RECIPIENT's agents or employees and (b) the STATE's agents or employees, and involves those actions covered by chapter 4.24.115 RCW, this indemnity provision with respect to claims or suits based upon such negligence shall be valid and enforceable only to the extent of the RECIPIENT's negligence or the negligence of the RECIPIENT's agents or employees.

20.2 The RECIPIENT agrees that its obligations under this SECTION extend to any claim, demand and/or cause of action brought by, or on behalf of, any of its employees or agents while performing construction and/or maintenance for the PROJECT. For this purpose, the RECIPIENT, by mutual negotiation, hereby waives with respect to the STATE only, any immunity that would otherwise be available to it against such claims under the Industrial Insurance provisions chapter 51.12 RCW.

20.3 This indemnification and waiver shall survive the termination of this AGREEMENT for all claims, demands, or suits at law or equity arising out of this AGREEMENT during its term.

SECTION 21 ASSIGNMENT AND SUCCESSION

21.1 The RECIPIENT shall not assign or in any manner transfer either in whole or in part this AGREEMENT or any right or privilege granted to it hereunder, nor permit any person or persons, company or companies, to include but not limited to any parent or subsidiary company or corporation of RECIPIENT, to share in any such rights or privileges without the prior written consent of the STATE except as otherwise herein provided. 24.1 This AGREEMENT shall be construed liberally so as to secure to each PARTY hereto all of the rights, privileges, and benefits herein provided or manifestly intended. This AGREEMENT, and each and every provision hereof, is for the exclusive benefit of the PARTIES hereto and not for the benefit of any third party. Nothing herein contained shall be taken as creating or increasing any right of a third party to recover by way of damages or otherwise against the PARTIES hereto.

24.2 If any covenant or provision, or part thereof, of this AGREEMENT shall be adjudged void, such adjudication shall not affect the validity or obligation of performance of any other covenant or provision, or part thereof, which in itself is valid, if such remainder conforms to the terms and requirements of applicable law and the intent of this AGREEMENT. No controversy concerning any covenant or provision shall delay the performance of any other provisions except as herein allowed.

24.3 All remedies provided in the AGREEMENT are distinct and cumulative to any other right or remedy under this document or afforded by law or equity, and may be exercised independently, concurrently, or successively therewith.

24.4 Any forbearance of the PARTIES in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of, or preclude the exercise of that or any other right or remedy hereunder.

24.5 Each PARTY hereby agrees to immediately notify the other PARTY of any change in conditions or any other event, which may significantly affect the TERM of this AGREEMENT or the PARTY's ability to perform the PROJECT in accordance with the provisions of this AGREEMENT.

SECTION 25 SUBCONTRACTING

25.1 It is understood that the RECIPIENT may choose to subcontract all or portions of the work. The RECIPIENT must obtain the STATE's advanced written approval of all subcontractors it shall employ on the PROJECT.

25.2 No contract between the RECIPIENT and its contractors and/or their subcontractors, and/or material suppliers shall create any obligation or liability of the STATE with regard to this AGREEMENT without the STATE's specific written consent to such obligation or liability notwithstanding any concurrence with, or approval of, the award, solicitation, execution, or performance of any contract or subcontract. Neither the granting of an extension of time, nor acceptance of and/or payment for, the whole or any part of the work by the STATE shall bar the STATE from seeking recovery of damages or any money wrongfully or erroneously paid to the RECIPIENT. A waiver of any breach of contract shall not be held to be a waiver of any other or subsequent breach.

SECTION 28 VENUE

- Travelers are reimbursed actual cost, as evidenced by receipt, for a single basic room up to the maximum lodging rate (state government room rate. See per Diem rate links pg. 1).

Exceptions-50 Mile Rule

- Approvers may approve exception to the 150% rule in the following situations:
- The costs in the area have escalated for a brief period of time during special events or disasters

- The traveler attends a meeting, conference, convention, or training session where the traveler is expected to have business interaction with other participants in addition to scheduled events. Further, it is anticipated that maximum benefit will be achieved by authorizing the traveler to stay at the lodging facility where the meeting, conference, convention, or training session is held
