AGREEMENT MAXIMUM AMOUNT AUTHORIZED \$400,000	ORGANIZATION City of Tacoma dba Tacoma Public Utilities – Tacoma Rail 2601 SR509 North Frontage Road Tacoma, WA 98421-3134
AGREEMENT NUMBER RRC 1010	DESCRIPTION OF WORK Purchase a new 35-ton capacity boom truck for heavy locomotive component maintenance and repair.

This AGREEMENT is between the WASHINGTON STATE DEPARTMENT OF TRANSPORTATION hereinafter referred to as the “STATE”, and City of Tacoma, Department of Public Utilities, hereinafter referred to as the “RECIPIENT,” collectively referred to as the “PARTIES” and individually the “PARTY.”

WHEREAS, in Engrossed Substitute Senate Bill 5161, Chapter 416, Laws of 2025, Section 310 (2) the Washington State Legislature appropriated \$1,500,000 for low-interest loans approved by the department through the Freight Rail Investment Bank (FRIB) program identified in the LEAP Transportation Document as developed April 26, 2025;

WHEREAS, the “Boom Truck Crane (2025 FRIB)” (the “PROJECT”) is included in the LEAP transportation document and is authorized STATE funds for the expenditure of up to \$400,000 (Four Hundred Thousand Dollars);

WHEREAS, in chapters 47.66 and 47.76 RCW the Washington State Legislature has determined that freight rail systems are important elements of the STATE’s multimodal transportation system and permits the STATE to provide financial assistance to cities, counties, ports, and railroads for the purposes of acquiring, rebuilding, rehabilitating, or improving rail lines necessary to maintain use of the essential rail service; and

WHEREAS, RCW 47.76.460(2) provides that repayment of loans made under this section shall occur within a period not longer than ten (10) years, and that the interest shall be only so much as is necessary to recoup the department’s cost to administer the loans;

NOW, THEREFORE, pursuant to the above recitals that are incorporated herein as if fully set forth below and in consideration of the terms, conditions, covenants, and performances contained in this AGREEMENT, or attached hereto and by this reference made a part of this AGREEMENT, **IT IS MUTUALLY AGREED AS FOLLOWS:**

SECTION 1 SCOPE OF WORK

1.1 EXHIBIT A, which is attached to this AGREEMENT, defines the Scope of Work for the PROJECT.

SECTION 2 PAYMENTS TO THE RECIPIENT

2.1 Subject to the stipulations set forth in SECTION 1 of this AGREEMENT, the STATE agrees to loan the RECIPIENT up to a maximum amount of \$400,000 (Four Hundred Thousand Dollars) for the actual direct and related indirect costs expensed by the RECIPIENT in the course of completing the

PROJECT required under this AGREEMENT.

2.2 Prior to initiating any work for performance hereunder, the RECIPIENT shall provide the STATE with the proposed PROJECT schedule for each item of work to be performed. The PROJECT schedule shall be arranged in such a manner as to form a basis for comparison with progress billings for work performed. In the event of a change in the method or time for performance of any work, the RECIPIENT shall update the PROJECT schedule, subject to the STATE's approval, to reflect the changed circumstances.

2.3 It is understood that the actual PROJECT costs under this AGREEMENT are based on preliminary estimates and that if unforeseen circumstances cause the PROJECT costs to exceed the PROJECT estimate, the RECIPIENT shall complete the PROJECT and assume the entire cost overrun without any increase of the STATE's maximum loan commitment made herein.

2.4 Any costs expensed by the RECIPIENT prior to the execution of this AGREEMENT will be borne by the RECIPIENT and will not be eligible for disbursement from the STATE.

2.5 The RECIPIENT shall comply with all provisions of the most recent version of 48 CFR § 31 (Contract Cost Principles and Procedures) or as subsequently amended regarding accounting conventions.

2.6 If the STATE, at its sole discretion, determines that the PROJECT is not progressing in a satisfactory manner, the STATE may refuse to loan STATE monies for disbursement to the RECIPIENT for part(s) or all of the work performed to date.

2.7 If the PROJECT is not completed by December 31, 2027, the entire expense for the completion of the PROJECT will be borne solely by the RECIPIENT. The RECIPIENT shall then also be automatically in default and will be obligated to reimburse the STATE for the full amount of LOAN funds already paid to the RECIPIENT. Any required repayment shall be due within thirty (30) calendar days after receipt of an invoice from the STATE. Extensions may be authorized by the STATE provided the RECIPIENT requests an amendment no later than thirty (30) calendar days prior to the date contained in this section.

SECTION 3 PROGRESS PAYMENTS

3.1 The RECIPIENT may forward progress billings to the STATE for disbursement of funds by STATE loaned monies for PROJECT-related work performed pursuant to EXHIBIT A.

3.2 The STATE shall loan monies for eligible PROJECT costs expensed and paid related to work performed during the invoice period. The RECIPIENT may submit invoices at any time, but not more frequently than once per month. The STATE will disburse funds to the RECIPIENT for properly billed and supported amounts within thirty (30) calendar days of receipt of a progress billing.

3.3 The RECIPIENT shall submit these monthly invoices detailing work completed and the total costs incurred. When requesting disbursement for cost share, the RECIPIENT shall submit supporting cost detail to document clearly the total costs incurred, including timecard records, itemized invoices, itemized receipts, and proofs of payment for all such expenses. As supporting cost detail, the RECIPIENT shall include a detailed breakout of the total costs incurred and classify total costs (1) by task and (2) by either AGREEMENT STATE loan funds, RECIPIENT's own matching funds (as applicable), or non-AGREEMENT external matching funds (as applicable), as specified in the Cost Estimate of EXHIBIT A. The RECIPIENT shall ensure that by the time the PROJECT is completed, the proportion of expenditure of AGREEMENT STATE loan funds to non-AGREEMENT matching funds is not more than the STATE funding percentage in the Cost Estimate of EXHIBIT A. The RECIPIENT's invoices shall also include: (1) the total amount of requested STATE disbursements to date; and (2) the remaining balance of dollars from the MAXIMUM AMOUNT AUTHORIZED. Failure to provide supporting documentation will render the cost ineligible for disbursement.

3.4 The STATE shall make monthly disbursements to the RECIPIENT for its share of costs expensed under this AGREEMENT. Payment by the STATE shall not relieve the RECIPIENT of any obligation to make good any defective work or material upon PROJECT completion.

3.5 The RECIPIENT will notify the STATE in writing if the total PROJECT budget, including any non-AGREEMENT matching funds, increases or decreases, which may result in an amendment to this AGREEMENT.

3.6 The RECIPIENT shall submit a monthly PROJECT status report. PROJECT status reports shall include: an account of significant progress made during the reporting period; a description of any technical and/or cost problem(s) encountered or anticipated that will affect completion of the PROJECT within the time and fiscal constraints as set forth in this AGREEMENT, together with recommended solutions or corrective action plans; an outline of work and activities planned for the next reporting period; updated milestone schedule dates; an updated monthly spending plan for the duration of the PROJECT; and the state of completion of items in the Scope of Work relative to expenditures of the relevant budget elements.

3.7 At the time the final PROJECT invoice is submitted, the RECIPIENT shall provide the STATE with a written statement confirming the RECIPIENT is in compliance with the terms of the AGREEMENT. The STATE will provide an example of this written statement upon request.

3.8 Per chapter 43.88 RCW, any invoices for work performed between July 1 and June 30 of any given year must be submitted to the STATE no later than July 6 (or the first business day after the July 4 holiday) of the same calendar year. If the RECIPIENT is unable to provide an invoice for such work by this date, an estimate of all remaining payable costs owed by the STATE for work performed by the RECIPIENT prior to July 1 must be submitted to the STATE no later than July 19 of the same year in order for the STATE to accrue the amount necessary for payment. The RECIPIENT will thereafter submit any remaining invoices to the STATE for such work as soon as possible. Failure to comply with these requirements may result in delayed payment. The STATE shall not be required to pay to the RECIPIENT late payment fees, interest, or incidental costs expensed by the RECIPIENT or any other costs related to a delayed payment if the RECIPIENT fails to comply with the invoice requirements of this SECTION 3.8.

3.9 The RECIPIENT shall receive disbursement from the STATE for the actual cost of items identified in EXHIBIT A, less net salvage value of any material being replaced in carrying out the PROJECT construction. Labor, materials, and/or other PROJECT costs supplied by the RECIPIENT will only be repaid at actual cost without markup to the STATE or profit.

3.10 Any materials salvaged under this PROJECT will be stockpiled, inventoried, and sold with the proceeds credited to the PROJECT. Documentation shall include the amount (quantity) of materials salvaged, the amount (quantity) actually sold, and the dollar amount received which will be credited back to the PROJECT on the final submitted invoice.

3.11 Disbursement of funds for RECIPIENT rented or leased equipment, if any, and will be based on actual cost as supported by original receipts. Disbursement of funds for RECIPIENT owned equipment shall be based on rates per 23 CFR § 140.910(a) (Company owned equipment) and approved FRA reference sources. "Equipment" in this AGREEMENT shall mean any items or resources used in the course of completing the PROJECT and not the items, resources, or deliverables that result from completion of the PROJECT.

3.12 Disbursement of funds for overhead costs not included in indirect labor costs will not be allowed unless specified in this AGREEMENT.

3.13 Disbursement of funds for travel, subsistence, and lodging expenses will not be eligible under this AGREEMENT unless specifically preapproved in writing by the STATE. If preapproved, the RECIPIENT shall comply with the rules and regulations regarding travel costs that are contained in

EXHIBIT B. Billing for non-salary cost, directly identifiable with the PROJECT, if any, shall be an itemized listing of the charges supported by copies of the original bills, invoices, expense accounts and miscellaneous supporting data submitted by the RECIPIENT with each invoice. All above charges must be essential to the work conducted under this AGREEMENT. Crew travel time between normal workstation and jobsites will not be considered travel under this restriction.

3.14 Reserved.

3.15 Reserved.

3.16 Billing for non-salary cost, directly identifiable with the PROJECT, if any, shall be an itemized listing of the charges supported by copies of the original bills, invoices, expense accounts and miscellaneous supporting data submitted by the RECIPIENT with each invoice. All above charges must be essential to the work conducted under this AGREEMENT. Crew travel time between normal workstation and jobsites will not be considered travel under this restriction.

3.17 Lending monies by the STATE for any work completed shall not relieve the RECIPIENT of any obligation to make good any defective work or material.

3.18 It is agreed that any money loaned by the STATE, pursuant to any RECIPIENT payment request, will not constitute agreement as to the appropriateness of any item, and that required adjustments, if any, will be made at the time of STATE's final payment. In the event that the STATE and/or their representatives conducts an audit, and that audit indicates an overpayment of moneys loaned against costs expensed by the RECIPIENT, the RECIPIENT agrees to pay the overpayment to the STATE within thirty (30) calendar days after being billed therefore. Amounts paid for any overpayment pursuant to this SECTION 3.18 will be in addition to the RECIPIENT's repayment obligation under SECTION 4 of this AGREEMENT. Termination of this AGREEMENT will not alter the RECIPIENT's obligation to return any funds due to the STATE as a result of later refunds, corrections, or other transactions. Nor will termination of this AGREEMENT alter the STATE's right to disallow costs and recover funds on the basis of a later audit or other review.

SECTION 4 LOAN REPAYMENTS BY THE RECIPIENT

4.1 The STATE agrees to loan the RECIPIENT up to a maximum principal amount of \$400,000 (Four Hundred Thousand Dollars) for the purpose of completing the PROJECT. The RECIPIENT shall repay the STATE in accordance with EXHIBIT C. The STATE has estimated its actual direct and indirect administrative costs to be two (2) percent of the principal amount, or \$8,000 (Eight Thousand Dollars). Therefore, the total maximum amount repaid by the RECIPIENT shall be \$408,000 (Four Hundred Eight Thousand Dollars).

SECTION 5 OBLIGATIONS TO REPAY LOANED MONIES

5.1 At the STATE's sole option, the RECIPIENT shall immediately repay the full amount of any loans paid to the RECIPIENT up to that date, in addition to two (2) percent of the loan amount paid to date, if any of the following events occur:

5.1.1 The RECIPIENT does not complete the PROJECT tasks specified in EXHIBIT A by the date identified in SECTION 2.7;

5.1.2 Sale, conveyance or transfer of the RECIPIENT's property underlying the PROJECT rail improvements within the loan re-payment period;

5.1.3 Any sale, conveyance, transfer, or removal of all or any of the PROJECT capital improvements or equipment purchased with the funds from this AGREEMENT within the loan re-payment period;

5.1.4 Any transfer, conveyance, or sale of all or any of the PROJECT capital improvements or

equipment purchased with monies loaned under this AGREEMENT to any person or entity, public or private, that at any time subsequent to that transfer, conveyance, or sale removes the PROJECT rail improvements or equipment purchased with loaned monies from this AGREEMENT, or significant portions thereof, from operation within the loan re-payment period; and

5.1.5 Any abandonment or other liquidation by the RECIPIENT or its successor of the PROJECT capital improvements or equipment purchased with monies loaned under this AGREEMENT for any reason whatsoever within the loan re-payment period.

5.2 Any payment by the RECIPIENT to the STATE pursuant to this SECTION 5 shall be payable in U.S. Funds and sent via certified mail to the STATE contact person identified in SECTION 23 of this AGREEMENT not more than thirty (30) calendar days from receipt of written notice from the STATE that repayment is required.

SECTION 6 TERM

6.1 This AGREEMENT shall become effective upon the date the last PARTY signs the AGREEMENT. The AGREEMENT shall continue in full force until the loan and interest have been completely repaid to the STATE. RECIPIENT, at its discretion, may repay the loan and any associated interest in its entirety prior to the last scheduled payment in EXHIBIT C; however, any such payment made by RECIPIENT that exceeds a regularly scheduled payment in EXHIBIT C, but does not satisfy the entire outstanding balance, shall not relieve RECIPIENT of its obligation to repay in full the next and any future scheduled payments in EXHIBIT C.

SECTION 7 CONTINGENT INTEREST

7.1 The RECIPIENT agrees that the STATE shall retain a Contingent Interest in a form consistent with RCW 47.76.250 (10) in the PROJECT's capital improvements and the equipment purchased with the funds from this AGREEMENT as described in EXHIBIT A, which binds the RECIPIENT, and its successor(s), to continue and maintain the PROJECT in an operating condition that is viable for use in rail line.

7.2 The STATE shall maintain its Contingent Interest until the RECIPIENT fully repays the loan. During this time, the RECIPIENT shall not (a) use the rail line, property, or equipment purchased with funds from this AGREEMENT as collateral, (b) remove track or associated elements for salvage, (c) perform any of the activities listed in SECTION 5.1 of this AGREEMENT, or (d) use the PROJECT capital improvements or equipment in any manner subordinating the STATE's Contingent Interest without obtaining prior written approval from the STATE. The STATE's Contingent Interest specified under this provision shall apply to any person or persons, company or companies, to include but not limited to any parent or subsidiary company or corporation of RECIPIENT, that may have an interest in the PROJECT.

7.3 The requirement that the PROJECT capital improvements and equipment be maintained for rail service shall also be required of all subsequent purchasers, persons, or entities acquiring all, or a material portion of, the line upon which the PROJECT is constructed. The RECIPIENT shall be obligated to include in any contract of sale or other dispositional agreement for all, or any portion of, the PROJECT provisions sufficient to perpetuate the STATE's Contingent Interest to the PROJECT capital improvements and equipment upon the consummation of any such conveyance. The RECIPIENT further agrees that, as a precondition to the RECIPIENT's execution of any agreement to transfer ownership of all, or a material or equipment portion of, the line upon which the PROJECT is constructed to a subsequent purchaser, assignee, or recipient, the entire outstanding balance of the loaned monies and interest will become immediately due and payable by the RECIPIENT.

7.4 The RECIPIENT shall execute and deliver to the STATE all agreements, instruments, and documents that the STATE requests as necessary to perfect and maintain the STATE's Contingent Interest

as set forth in this SECTION 7, in a form and substance acceptable to the STATE, as a condition precedent to the RECIPIENT's right to seek loan monies under this AGREEMENT.

7.5 The RECIPIENT shall make appropriate entries upon its financial statements and its books and records disclosing the STATE's Contingent Interest under this SECTION 7.

SECTION 8 EMPLOYMENT AND INSPECTION OF WORK

8.1 The RECIPIENT shall employ all persons or contractors necessary to perform the PROJECT work and agrees to be responsible for the management, control, operation, construction, maintenance, and repairs that are essential to this PROJECT. The STATE may place an Engineer, Project Manager, and/or other inspection personnel on the work site during the term of this AGREEMENT to monitor progress of the PROJECT and/or to monitor adherence to the required provisions of this AGREEMENT. The RECIPIENT shall make the site accessible to STATE inspection personnel. This may include providing transportation to remote, inaccessible work sites, at the expense of the RECIPIENT.

8.2 The STATE will inspect progress at the work site, as it deems appropriate. In the event that the RECIPIENT subcontracts to obtain material, equipment, and/or any work necessary to complete any PROJECT related track work, the RECIPIENT will be responsible for certifying that all track work is in compliance with Federal Railroad Administration Track Standards.

SECTION 9 RESERVED

SECTION 10 RESERVED

SECTION 11 USE AND MAINTENANCE OF PROJECT CAPITAL IMPROVEMENTS AND OTHER EQUIPMENT PURCHASED WITH FUNDS FROM THIS AGREEMENT

11.1 The RECIPIENT agrees that PROJECT property, equipment, and materials shall be used solely for the PROJECT activity for the duration of its useful life. Should the RECIPIENT unreasonably delay or fail to use PROJECT property, equipment, or materials during its useful life, the RECIPIENT understands that the STATE may require the reimbursement of the STATE funds expended on that property, equipment, or supplies.

11.2 The RECIPIENT will give timely notice and request prior written approval from the STATE for any proposal to use PROJECT property, equipment, or materials in a manner substantially different than set forth in this AGREEMENT.

11.3 The RECIPIENT shall make all necessary repairs and reasonably maintain the capital improvements and equipment purchased with the funds from this AGREEMENT so long as the STATE retains rights as specified in SECTION 7 of this AGREEMENT. The costs of service, materials, and repairs in connection with the use and operation of the PROJECT shall be at the RECIPIENT's expense.

11.4 Throughout the Contingent Interest term defined in SECTION 7 of this AGREEMENT, the RECIPIENT shall maintain and keep the purchased PROJECT equipment identified in EXHIBIT A in good order, condition and repair, ordinary wear and tear excepted, utilizing the same standard of care as it does with similar equipment owned or leased by the RECIPIENT. Purchased equipment identified in EXHIBIT A shall be maintained to all Original Equipment Manufacturer specifications and maintenance instruction, all applicable regulations and laws.

SECTION 12 MAINTENANCE OF RECORDS AND AUDIT REQUIREMENTS

12.1 During the progress of the work, and for a period of not less than six (6) years from the date of final payment to the STATE by the RECIPIENT, records and accounts of the RECIPIENT are to be kept available for inspection and audit by representatives of the STATE. Termination of this AGREEMENT does not alter the RECIPIENT's requirements under this SECTION 12.

12.2 Copies of the records shall be furnished to the STATE upon request and shall be maintained in accordance with accepted job cost accounting procedures as established in 48 CFR § 31. All costs must be supported by actual invoices and canceled checks. The RECIPIENT agrees to comply with the audit requirements contained herein, and to impose the same requirement on any consultant, contractor, or subcontractor who may perform work funded by this AGREEMENT.

12.3 The records to be maintained by the RECIPIENT shall include, but are not limited to, the following:

12.3.1 Records that identify the sources and applications of funds for this AGREEMENT and contain information pertaining to outlays;

12.3.2 Supporting source documents;

12.4 In the event that any litigation, claim or audit is initiated prior to the expiration of said six (6) year period, the records shall be retained until such litigation, claim, or audit involving the records is complete.

SECTION 13 QUALITY ASSESSMENTS

13.1 The RECIPIENT's project management of the PROJECT may be subject to periodic assessments by the STATE for quality assurance purposes. If requested, the RECIPIENT shall provide the necessary staffing to attend assessment interviews, accommodate STATE personnel during field visits, and make available for the STATE to review requested documentation that supports its quality management activities.

SECTION 14 FINAL REPORT AND FINAL INSPECTION

14.1 Within ninety (90) days following the completion of the PROJECT and submission of the final billing for the PROJECT, a final report and/or joint final inspection shall be submitted to the Director (or designee) of the Rail, Freight and Ports Division containing the following information:

SECTION 16 LAWS TO BE OBSERVED

16.1 General Compliance. The RECIPIENT shall comply with all applicable federal, state, and local laws, rules, regulations, and judicial orders pertaining to the PROJECT, and to the extent applicable, 48 CFR § 31 (Contract Cost Principles and Procedures) and 2 CFR § 200 (Uniform Administrative Requirements Cost Principles, and Audit Requirements for Federal Awards). If any action or inaction by the RECIPIENT results in a fine, penalty, cost, or charge being imposed or assessed on or against the RECIPIENT and/or the STATE, the RECIPIENT shall assume and bear any such fine, penalty, cost, or charges. In the event the STATE, for any reason, is required to pay the same, the RECIPIENT, upon demand, shall promptly reimburse, indemnify, and hold harmless the STATE for or on account of such fine, penalty, cost, or charge and shall also pay all expenses and attorney's fees expensed in defending any action that may be brought against the STATE on account thereof. The RECIPIENT shall, in the event of any such action and upon notice thereof from the STATE, defend any such action(s) free of cost, charge, and expense to the STATE.

16.5.2 Obligation to Cooperate. RECIPIENT, including any subcontractor, shall cooperate and comply with a Washington state agency investigation regarding any allegation that RECIPIENT, including any subcontractor, has engaged in discrimination prohibited by the AGREEMENT pursuant to RCW 49.60.530(3).

16.5.3 Default. Notwithstanding any provision to the contrary, the STATE may suspend RECIPIENT, including any subcontractor, upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by the AGREEMENT, pursuant to RCW 49.60.530(3). Any such suspension will remain in place until the STATE receives notification that RECIPIENT, including any subcontractor, is cooperating with the investigating state agency. In the event RECIPIENT, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), the STATE may terminate this AGREEMENT in whole or in part, and RECIPIENT, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. The STATE shall have the right to deduct from any monies due to RECIPIENT or subcontractor, or that thereafter become due, an amount for damages RECIPIENT or subcontractor will owe the STATE for default under this provision.

SECTION 17 REPRESENTATIONS, WARRANTIES, AND COVENANTS

17.1 The following representations and warranties by the PARTIES hereto shall be considered conditions precedent to the effectiveness of this AGREEMENT.

17.2 The RECIPIENT represents and warrants the following:

17.2.1 That it is a corporation duly organized, validly existing and in good standing under the laws of the state of Washington;

17.2.2 That the monies the RECIPIENT will derive through this AGREEMENT will be used solely for the PROJECT as defined in this AGREEMENT;

17.2.3 That it has the full power and authority to enter into this AGREEMENT, and to carry out the obligations, which it has hereby undertaken;

17.2.4 That all corporate and other proceedings required to be taken by or on the part of the RECIPIENT to authorize its entrance into this AGREEMENT have been or will be duly taken;

17.2.5 That execution of this AGREEMENT and the performance of the improvement hereunder will not violate any statute, rule, regulation, order, writ, injunction, or decree of any Court, administrative agency, or government body;

17.2.6 It is the intent of the STATE to partially reimburse the RECIPIENT for its actual PROJECT costs. It is understood that if unforeseen circumstances cause the PROJECT cost to exceed the PROJECT estimate, the RECIPIENT shall complete the PROJECT and assume the entire cost overrun;

17.2.7 That the RECIPIENT has not employed or retained any company or person to solicit or secure this AGREEMENT, and that it has not paid or agreed to pay any company or person, any fee, commission percentage, brokerage fee, gifts, or any other consideration, contingent upon or resulting from the award or making of this AGREEMENT. For breach or violation of this warranty, the STATE shall have the right to terminate this AGREEMENT without liability;

17.2.8 That the RECIPIENT shall adhere to all provisions identified under RCW 42.52.080; and

17.2.9 That the RECIPIENT shall not extend any loan, gratuity, or gift of money in any form whatsoever to any employee, agent, or officer of the STATE, nor will the RECIPIENT rent or purchase any equipment or materials from any employee or officer of the STATE.

SECTION 18 FORCE MAJEURE

18.1 It is further understood and agreed that neither the RECIPIENT nor the STATE, as the applicable case may be, shall be required to keep this AGREEMENT in effect during any period(s) it is prevented from doing so by governmental action, war, strikes, riots, terrorism, pandemic, or civil commotion, or if

the rail facilities or any portion thereof is made unserviceable by Acts of God including, but not limited to, floods, high water, or other damage by the elements.

SECTION 19 TERMINATION

19.1 Convenience – The STATE may terminate this AGREEMENT in whole, or in part, effective immediately upon written notification unless otherwise stated in the STATE's notification, whenever:

19.1.1 The requisite loan funding becomes unavailable through failure of appropriation or otherwise; and/or

19.1.2 The STATE determines that such termination is in the best interests of the STATE.

19.2 If the STATE exercises its rights under SECTION 19.1 of this AGREEMENT, the STATE shall reimburse the RECIPIENT for any expenses and costs eligible hereunder prior to receipt of such notice of termination.

19.3 Fault – Should either the STATE or the RECIPIENT substantially fail to perform their obligations under this AGREEMENT, and continue in such default for a period of sixty (60) calendar days, the PARTY not in default shall have the right at its option, after first giving thirty (30) calendar days written notice thereof by certified mail to the PARTY in default, to terminate this AGREEMENT. Should either the STATE or RECIPIENT fail to exercise any right or remedy during the sixty (60) calendar days in which the other PARTY is in default, such failure shall not subsequently be deemed a waiver of, or preclude the exercise of, that or any other right or remedy hereunder. The termination of this AGREEMENT shall not impair any other rights of the terminating PARTY under this AGREEMENT or any rights of action against the defaulting PARTY for the recovery of damages. For purposes of this provision, a substantial failure to perform on the part of the RECIPIENT shall be deemed to include, but shall not be limited to, any action of the RECIPIENT that jeopardizes its ability to perform pursuant to this AGREEMENT.

19.4 Default – In the event that either PARTY commits a material breach of its obligations under this AGREEMENT and fails to cure that breach within sixty (60) days after receiving written notice thereof, the other PARTY may terminate this AGREEMENT immediately upon written notice to the PARTY in breach.

19.5.1 Stop work under the AGREEMENT on the date, and to the extent specified, in the notice;

19.5.2 Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the AGREEMENT that is not terminated;

19.5.3 Assign to the STATE, in the manner, at the times, and to the extent directed by the STATE, all of the rights, title, and interest of the RECIPIENT under the orders and subcontracts so terminated, in which case the STATE has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;

19.5.4 Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the STATE to the extent the STATE may require, which approval or ratification shall be final for all the purposes of this clause;

19.5.5 Complete performance of such part of the work as shall not have been terminated by the STATE; and, if applicable:

19.5.6 Transfer title to the STATE, and deliver in the manner, at the times, and to the extent directed by the STATE, any property which, if the contract had been completed, would have been required to be furnished to the STATE; and

19.5.7 Take such action as may be necessary, or as the STATE may direct, for the protection and preservation of the property related to this AGREEMENT, which is in the possession of the RECIPIENT and in which the STATE has or may acquire an interest.

SECTION 20 INDEMNIFICATION

20.1 The RECIPIENT shall indemnify and hold the STATE and all its officers and employees harmless from, and shall process and defend at its own expense, all claims, demands, or suits at law or equity arising out of this AGREEMENT caused by the performance or failure to perform by the RECIPIENT, its agents, employees, and/or its subcontractors of any and all duties prescribed by, or incidental to its performance under, this AGREEMENT; provided that nothing herein shall require the RECIPIENT to indemnify or hold the STATE harmless against claims, demands, or suits based solely upon the negligent conduct of the STATE, its officers or employees; and provided further that if the claims, demands, or suit is caused by or results from the concurrent negligence of (a) the RECIPIENT's agents or employees and (b) the STATE's agents or employees, and involves those actions covered by RCW 4.24.115, this indemnity provision with respect to claims or suits based upon such negligence shall be valid and enforceable only to the extent of the RECIPIENT's negligence or the negligence of the RECIPIENT's agents or employees.

20.2 The RECIPIENT agrees that its obligations under this SECTION 20 extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or agents while performing construction and/or maintenance for the PROJECT. For this purpose, the RECIPIENT, by mutual negotiation, hereby waives with respect to the STATE only, any immunity that would otherwise be available to it against such claims under the Industrial Insurance provisions of chapter 51.12 RCW.

20.3 This indemnification and waiver shall survive the termination of this AGREEMENT for all claims, demands, or suits at law or equity arising out of this AGREEMENT during its term.

SECTION 21 ASSIGNMENT AND SUCCESSION

21.1 The RECIPIENT shall not assign or in any manner transfer either in whole or in part this AGREEMENT or any right or privilege granted to it hereunder, nor permit any person or persons, company or companies, to include but not limited to any parent or subsidiary company or corporation of RECIPIENT, to share in any such rights or privileges without the prior written consent of the STATE except as otherwise herein provided. Nothing in this AGREEMENT shall be construed to permit any other railway company or any other person, corporation, or association, directly or indirectly, to possess any right or privilege herein.

SECTION 24 INTERPRETATION

24.1 This AGREEMENT shall be construed liberally so as to secure to each PARTY hereto all of the rights, privileges, and benefits herein provided or manifestly intended. This AGREEMENT, and each and every provision hereof, is for the exclusive benefit of the PARTIES hereto and not for the benefit of any third party. Nothing herein contained shall be taken as creating or increasing any right of a third party to recover by way of damages or otherwise against the PARTIES hereto.

24.2 If any covenant or provision, or part thereof, of this AGREEMENT shall be adjudged void, such adjudication shall not affect the validity or obligation of performance of any other covenant or provision, or part thereof, which in itself is valid, if such remainder conforms to the terms and requirements of applicable law and the intent of this AGREEMENT. No controversy concerning any covenant or provision shall delay the performance of any other provisions except as herein allowed.

24.3 All remedies provided in the AGREEMENT are distinct and cumulative to any other right or remedy under this document or afforded by law or equity, and may be exercised independently, concurrently, or successively therewith.

24.4 Any forbearance of the PARTIES in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of, or preclude the exercise of, that or any other right or remedy hereunder.

24.5 Each PARTY hereby agrees to immediately notify the other PARTY of any change in conditions or any other event, which may significantly affect the TERM of this AGREEMENT or the PARTY's ability to perform the PROJECT in accordance with the provisions of this AGREEMENT.

SECTION 25 SUBCONTRACTING

25.1 It is understood that the RECIPIENT may choose to subcontract all or portions of the work.

25.2 For any work on state-owned property, the RECIPIENT's subcontractors must be approved by the STATE, as follows:

25.4 No contract between the RECIPIENT and its contractors and/or their subcontractors, and/or material suppliers shall create any obligation or liability of the STATE with regard to this AGREEMENT without the STATE's specific written consent to such obligation or liability notwithstanding any concurrence with, or approval of, the award, solicitation, execution, or performance of any contract or subcontract. The RECIPIENT hereby agrees to include the provisions of this AGREEMENT in all contracts entered into by the RECIPIENT for the employment of any individuals, procurement of any materials, or the performance of any work to be accomplished under this AGREEMENT. Neither the granting of an extension of time, nor acceptance of

and/or payment for, the whole or any part of the work by the STATE shall bar the STATE from seeking recovery of damages or any money wrongfully or erroneously paid to the RECIPIENT. A waiver of any breach of contract shall not be held to be a waiver of any other or subsequent breach.

SECTION 28 VENUE

28.1 In the event that either PARTY deems it necessary to institute legal action or proceedings to enforce any right or obligation under this AGREEMENT, the PARTIES hereto agree that any such action shall be initiated in the Superior Court of the state of Washington, situated in Thurston County. Exceptions-50 Mile Rule

 - The traveler attends a meeting, conference, convention, or training session where the traveler is expected to have business interaction with other participants in addition to scheduled events. Further, it is anticipated that maximum benefit will be achieved by authorizing the traveler to stay at the lodging facility where the meeting, conference, convention, or training session is held
