Drinking Water State Revolving Fund Loan Application

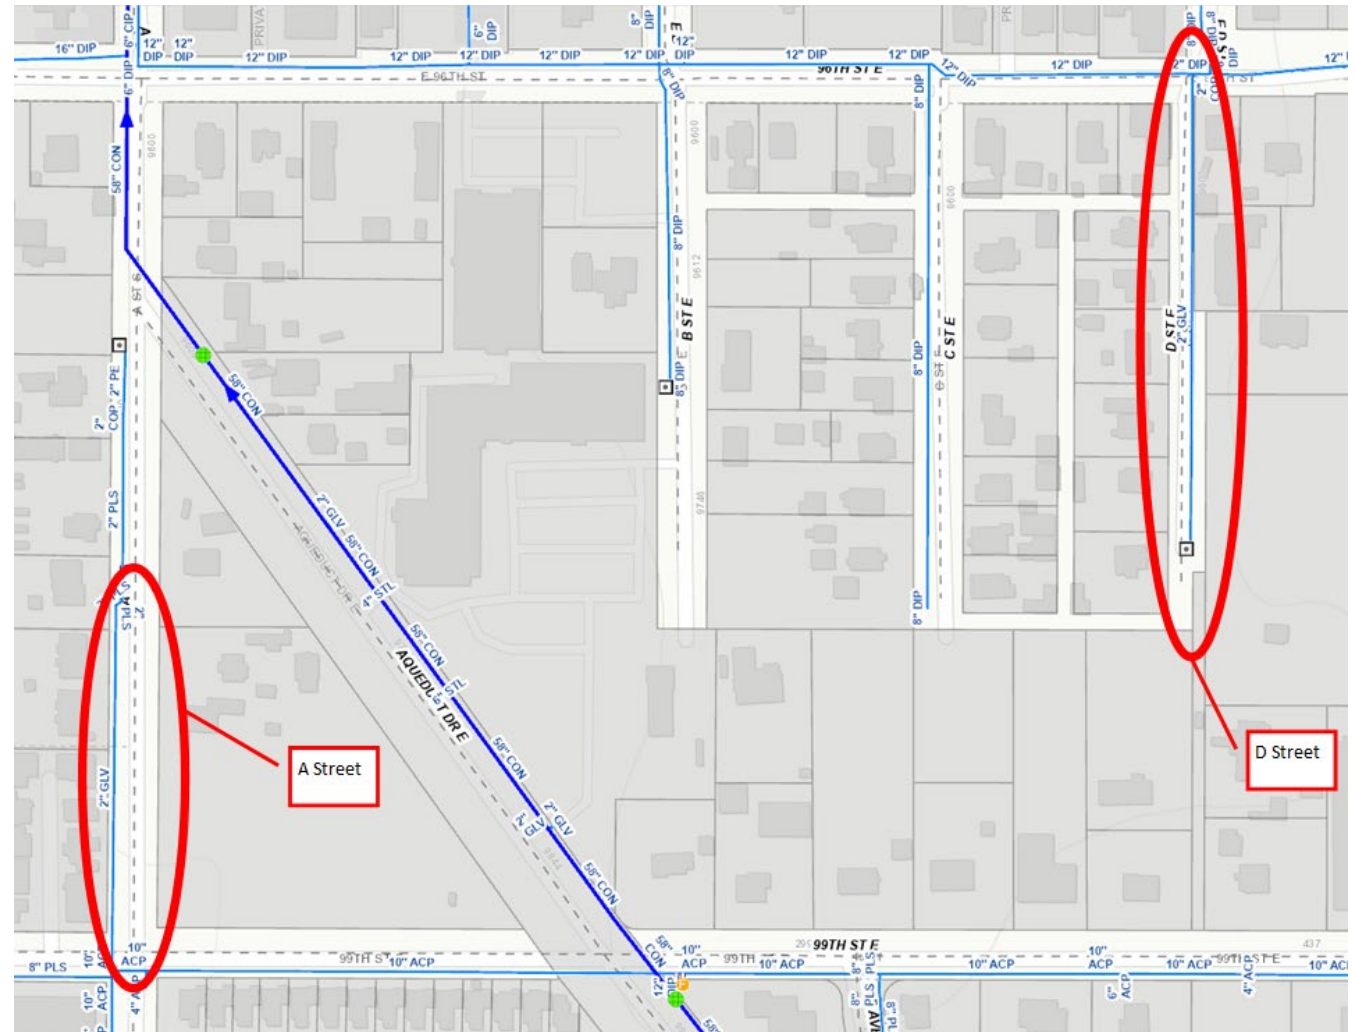

Select Galvanized Main Replacement

DWSRF 2024 Funding Round

- Water applied for 2025 low-interest loan
- Application was successfully awarded
- Receiving award is contingent on Public Utility Board and City Council approving “Letter of Support” for submittal of the application.

Project Scope

- Replace 750 ft of 2" galvanized/plastic main on A St South (Aqueduct Dr E to 99th St E) with 8" ductile iron (DI) main
 - Replace associated valves, fittings, add two fire hydrants.
- Replace 580 ft of 1" galvanized main on the 9600 Block of East D Street with 8" ductile iron main
 - Replace associated valves, fittings, add two fire hydrants.
 - Upgrade sidewalks to meet ADA requirements
 - Potentially add a short section of 4" DI main if needed due to constructability concerns.
