Financing your energy efficiency upgrade is easy.

WE HAVE EXPERTS TO HELP YOU.

We know energy efficiency. We know which upgrades will be most beneficial to your business. And best of all, we offer zero-interest financing to put everything within reach.

Put us to work.

- 1** Call or email us to set up your **FREE**, no obligation electric bill review, project assessment and evaluation.
- 2** We'll help you fill out an application and submit the supporting documents for your loan.
- 3** We evaluate your project and utility credit history to determine if you qualify.
- 4** Lastly, our team will help you complete the loan for your project.

Pay for your energy efficiency upgrades today with a zero-interest loan.

We offer a zero-interest loan for most energy efficiency improvements, including lighting, electrical equipment, refrigeration equipment, controls and energy management systems. A loan can help your business be more energy efficient, which reduces your operating costs and lowers energy bills for years to come.

Terms

Zero-interest loan terms:

- Available in 5-year terms for existing facilities
- Cover up to 70% of project costs up to \$100,000
- Can cover up to 100% of project costs for non-profits if the total project cost is less than \$25,000

* Program requirements and rebate amounts are subject to change without notice. Tacoma Power does not endorse any particular contractor, manufacturer or product and makes no express or implied warranties of the same.
