TACOMA POWER
TACOMA PUBLIC UTILITIES

Replace old or inefficient equipment with new energy-saving models.

We offer rebates to help.

Upgrade and save. Tacoma Power can save money for your business now with rebates and later with lower bills for years to come.

We've made energy efficiency good for your business's bottom line.

For no charge, our energy experts will:

- Review your business's electric bills to interpret use patterns
- Survey your business operations and equipment
- Advise you about equipment that could save energy and money
- Identify rebates available for equipment upgrades
- Explain our five-year, 0%-interest loan
- Assist with your project every step of the way
