

SHORELINE USE PERMIT (SUP) APPLICATION

Dear Applicant:

You have expressed an interest in obtaining a Shoreline Use Permit (SUP) to use property owned and managed by Tacoma Power as part of its Cushman Hydroelectric Project. In order to obtain this Permit, you should familiarize yourself with the Cushman Project's Shoreline Use Specifications and Permitting Guidelines (SUSPG) which can be found at <http://www.mytpu.org/tacomapower/fish-wildlife-environment/cushman-hydro-project/shoreline.htm>. Please provide the information below and return this Application to Tacoma Power's Real Property Services department. Also, please make sure to provide the required Application processing fee identified below.

APPLICANT INFORMATION

Following completion of the survey, either the unused balance of the deposit will be refunded or an invoice issued for any balance owing.	
<u>COMMERCIAL USES</u> - Please contact Tacoma Power, Real Property Services, (253) 502-8873	

PROPERTY INFORMATION	
1. Location of Proposed Use/Structure: LAKE CUSHMAN	
2. Attach a site map of the area/reservoir shoreline you propose to use and describe that location in relation to landmarks. This map needs to include a North arrow, property lines, and dimensioning sufficiently detailed to locate structure.	
3. Site Address of your Adjacent Shoreline Property: _____	
4. Parcel Number(s) of your Adjacent Shoreline Property: _____	
5. Legal Description of your Property. Please provide a copy of your property Deed and/or provide the following:	
Lot No. _____	Block _____ Plat _____
Quarter _____	Section _____ Township _____ Range _____
NOTE: Permits will only be issued to "Adjacent Property Owners" who meet all eligibility requirements. You must own the property adjacent to and abutting the City's property where your structure will be located. Also, water levels on the lake will fluctuate seasonally dependent upon generation and rainfall. Tacoma Power does not guarantee year-round water access to any dock or other facility on the lake.	

STRUCTURE/USE INFORMATION

(Please CHECK all Applicable Boxes)

Dock Bulkhead Swimming Platform Mooring Buoy Decks, Paths, or Stairs

Other - Please Specify: _____

Please state _____ (Month)/_____ (Year) of anticipated installation or completion. If this is an after-the-fact Application, please state _____ (Month)/_____ (Year) the installation occurred.

FOR ALL APPLICATIONS, YOU MUST ATTACH THE FOLLOWING SCALED DRAWINGS AND INFORMATION:

1. A top view (plan view) of structure showing shape and outside dimensions of structure in feet.
2. A side view (elevation view) of structure showing vertical elevation from water.
3. If structure is already built, please provide photographs of the structure and copies of permits or other documentation that demonstrates the structure is in compliance with county regulations.
4. The structure's location in relation to shoreline (high water mark) and your property.
5. A description of construction methods and materials used (or to be used) for each structure. Attach a separate sheet of paper if necessary.

SPECIAL CONDITIONS

- | | YES | NO |
|--|----------------------------|--------------------------|
| 1. Will/Did you need to disturb the surface of the ground? | <input type="checkbox"/> * | <input type="checkbox"/> |
| 2. Will/Did you need to place fill? | <input type="checkbox"/> * | <input type="checkbox"/> |
| 3. Will/Did you need to remove vegetation? | <input type="checkbox"/> * | <input type="checkbox"/> |
| 4. Will/Did you install pilings, blocks or any other structural components into the lakebed below the high water mark? | <input type="checkbox"/> * | <input type="checkbox"/> |

* If YES, explain in detail (what/where/how/when/why) on separate sheet of paper. Please note, if you answered "YES" to any of the above, a Cultural Resource Survey will most likely be required (see Permit Action on first page).

OTHER REQUIREMENTS

The proposed Structure/Use may require additional permits or approvals from state and/or local regulatory agencies. It is the Applicant's responsibility to obtain such permits from these agencies as a condition of any Permit issued by Tacoma Power. You do not need to have these permit(s) in hand to apply for this SUP. However, you must obtain such permit(s) and/or approvals prior to construction.
